

Mr Kong Kai-ming

香港總督府

GOVERNMENT HOUSE  
HONG KONG

28th December 1981

Dear Mr King,

Thank you for sending me the book of your sketches. They are beautiful work, and together form a charming record of Hong Kong as it is and as it has been. Lady MacLehose and I are delighted with them, and the book will take up a place of prominence in the Government House Library.

My best wishes for the New Year.

Yours sincerely

Mr. N. Lehn.

Mr Kong Kai-ming
