*Dear Sir,*

Thank you very much for sending me your charming collection of "Paintings of Hong Kong Historic Landmarks". I will keep the book in Government House to delight both visitors, and ourselves, with pictures of Hong Kong as it is and was.

I am not sorry to see some of the squatter huts you have sketched being replaced by better buildings; but we must do what we can to preserve some of the other more attractive old buildings in your book.

Yours sincerely,  
*David Wilson*
