Dear Mr Kong,

I must apologise for not
acknowledging long ago, your letter of 1st Oct 89,
with the copy of a collection of printings
of Hong Kong's historic landmarks.

If I still want to
let you have a short preface for the second
edition I would gladly do so, but perhaps
you will let me see a proof of the text.
With good wishes for 1990
Yours sincerely
N. Lehar
