**(Question Serial No. 7005)**

Head: (95) Leisure and Cultural Services Department

Subhead (No. & title): (-) Not Specified

Programme: (1) Recreation and Sports

Controlling Officer: Director of Leisure and Cultural Services (Ms Michelle LI)

Director of Bureau: Secretary for Home Affairs

Question:

Please set out in a table the number of existing sports centres in the territory and the ratios of number of sports centres to population in districts. What are the manpower and expenditures involved; the numbers of toilets, baby care rooms and changing rooms; the maintenance costs incurred; and the usage rates in the past 3 years for each sports centre?

Asked by: Dr Hon KWOK Ka-ki (Member Question No. 580)

Reply:

There are 96 sports centres currently managed by the Leisure and Cultural Services Department (LCSD). The ratios of number of sports centres to population in districts are at **Annex I**.

In general, a core team comprising a venue manger, amenities assistants and clerical staff is responsible for the daily operation of a sports centre. The number of staff and expenditure involved are listed at **Annex II**. The usage rates in the past 3 years for each sports centre and their numbers of toilets, baby care rooms and changing rooms are listed at **Annex III**.

As maintenance works of sports centres are undertaken by respective technical departments such as the Architectural Services Department and the Electrical and Mechanical Services Department, the LCSD does not have separate figures on the maintenance cost for each sports centre.
