The Leisure and Cultural Services Department manages 43 public swimming pools. Details on their distribution by districts, attendance, facilities as well as manpower and staff costs are set out at **Annexes I to III**.

According to the Hong Kong Planning Standards and Guidelines, 1 swimming pool is provided for a district with population of 287 000 persons. The current provision of 43 public swimming pools is sufficient to meet the above standards and guidelines at the territory-wide and district levels.
