Reply:

- (a) to (c) As members of the public generally enjoy free access to non-fee-charging facilities of parks and playgrounds including the Central Kwai Chung Park (CKCP), there is no designed attendance, attendance record and usage rates for these facilities. Such facilities include 2 5-a-side soccer pitches, 2 basketball courts-cum-volleyball courts, roller skating rink, 2 children's play areas, natural walking trail, fitness stations and conservation corner of CKCP.

- (d) The maintenance of the park facilities is undertaken by various works departments including the Architectural Services Department and the Electrical and Mechanical Services Department. The Leisure and Cultural Services Department (LCSD) does not have a breakdown of the maintenance cost for each park.
- (e) As CKCP is one of the parks managed by the same team of staff under the Kwai Tsing District Leisure Services Office, LCSD does not have a breakdown of the staff costs involved for each park. Details on the cleansing service contractors of CKCP are at Annex I.
- (f) The details of activities organised by LCSD at CKCP and the expenditures involved are at Annex II.
