Reply:

1. The names of activities organised, dates of hire and numbers of days regarding hire of Tamar Park for organising activities in each of the past 5 financial years are listed at **Annex**. Rental charging for facilities in Tamar Park is only applicable to activities organised by non-governmental organisations involving mainly sales of goods/commodities or provision of services and/or those charging admission fees. No rental was charged as the activities listed in the Annex were not sales activities.
2. As daily horticultural maintenance services (including maintenance of plants, trees, turf and other related work) for Tamar Park are provided by outsourced service contractor(s), a breakdown of expenditure on turf maintenance is not available.
3. There was no case of turf damage caused by activities organised at Tamar Park in the past 5 financial years.
