Reply:

- (a) to (c) As members of the public generally enjoy free access to non-fee-charging facilities of parks and playgrounds including the Tin Shui Wai Park (TSWP), there is no designed attendance, attendance record and usage rates for these facilities. Such facilities include the children's play area, lookout pavilion, palm garden, 5-a-side soccer pitch, basketball courts, artificial lake and model boat play area, jogging trail, children maze garden/scented garden, model car play area, skateboard ground, gateball court and sculpture walk of TSWP. As regards the tennis courts of TSWP, the usage rates are set out in the following table:

	Monthly Usage Rate				
	2015-16	2016-17	2017-18	2018-19	2019-20 (up to 29 February 2020)
Tennis Courts	37%	36%	37%	40%	35%

- (d) The maintenance of the park facilities is undertaken by various works departments including the Architectural Services Department and the Electrical and Mechanical Services Department. The Leisure and Cultural Services Department (LCSD) does not have a breakdown of the maintenance cost for each park.
- (e) As TSWP is one of the parks managed by the same team of staff under the Yuen Long District Leisure Services Offices, the LCSD does not have a breakdown of the staff costs for each park. Details on the cleansing and security service contractors of TSWP are at **Annex 1**.
- (f) The details of activities organised by the LCSD at TSWP and the expenditures involved are at **Annex 2**.
