Reply:

As at 1 March 2020, the Leisure and Cultural Services Department employed a total of 108 Workmen II. They are required to provide general support service in various offices and leisure and cultural venues.

Workmen II are remunerated on the Model Scale 1 Pay Scale Point 0 - 8 (\$13,730 - \$16,175 per month). Their conditioned hours of service are 45 hours net per week, exclusive of meal breaks. They may claim travel allowance and hardship allowance subject to meeting the payment criteria under relevant civil service rules and regulations. In addition, they may claim Rainstorm Black Warning Allowance and Typhoon Allowance for performing duties under specific weather conditions, subject to meeting the payment criteria of respective allowances.
