Information of Community Sports Clubs

The Community Sports Club (CSC) Project is a partnership scheme coorganized by the Leisure & Cultural Services Department (LCSD) and National Sports Associations (NSAs). All the CSCs under this Project must be the members of their respective NSAs. The objectives of the CSC Project are:

- to promote and strengthen the sport development for young players;
- to enhance the standard of sports at community level; and
- to encourage lifelong participation in sports.

The CSC, formed and managed by volunteers, is a non-profit making organisation aim at promoting and strengthening sports development at community level. If you want to join the CSC or participate in the programme organized by CSC, please approach the respective NSA.
