- Notes:
1. Schools are advised to delegate a person-in-charge aged 18 or above or a teacher to oversee the activity.
 2. To encourage students' active and persistent participation in sports, schools are recommended to apply for continuous training covering a school term (about 6 months) for the same group of students participating in the Outreach Coaching Programme so that coaches can assess the students' performance regularly.
 3. Students should put on appropriate sportswear and sports shoes during lessons.
 4. For participants who have enrolled in the netball training course of the Easy Sport Programme under the School Sports Programme, coaches will assess their skills according to the test items at the end of the course. The LCSD will award badges and certificates free of charge to those who meet the required standard. For details, please refer to the “School Sports Programme – Handbook on Netball Badges Award Scheme”.
 5. The “Inter-school Easy Sport Competition - Netball Competition” is held annually under this programme. Participants receiving training under this programme are welcome to participate in the Competition. Schools can achieve the aim of training up students and enhancing their interest and skills in netball by exposing them to contests and exchanges in the Competition. Enrolment details will be announced later.
