

区袞公（生卒不详）

区袞裳，生卒不详。字袞公，所居曰双年印馆。区建公堂兄，其隶及篆刻皆不亚建公，因不喜自炫，所以认识的人不多。工诗文，有论书数则颇精警，载《书谱》双月刊总第十七期。

OU Gungong (dates unknown)

Ou Gunchang (dates unknown), courtesy name Gungong, was the older cousin of the Guangdong calligrapher Ou Jiangong. His studio was called Shuangnian yinguan. He was lesser known than Ou Jiangong due to his modest personality but his clerical-script calligraphy and seal carving were put on a par with his cousin. He was also gifted in literature and poetry, publishing his calligraphy theory in magazines, as quoted from the bi-monthly *Shupu* (Chronicles of Calligraphy), no. 17.
