- (c) Within twenty-four (24) hours (or such longer time as may be notified by the Government) of being notified in writing of the rejection of any action undertaken by the Permit Holder or result of such action, the Permit Holder shall take necessary action to rectify such rejected action or result of action to the satisfaction of the Government Representative.
- (d) If the Permit Holder shall fail to rectify such rejected action or result of action, the Government Representative may without prejudice to any other rights and remedies available to the Government carry out and complete such rectification by its own staff or by

its agents. All costs and expenses whatsoever which may be incurred by the Government thereof shall be recoverable in full from the Permit Holder forthwith on demand. The normal working hours for the staff of the Government are, with the exception of General Holiday, from 9:30 a.m. to 4:30 p.m. from Monday to Friday.  - (iii) shall fail to carry out all or any of the rectification as stipulated in Clause 33(c) hereof within the time specified.
- (c) Without prejudice to any other rights provided for under the Agreement, the Government is entitled to claim indemnity from the Permit Holder against any and all losses, claims, damages, costs, charges, expenses, liabilities, demands, proceedings and actions which the Government may sustain or incur or which may be brought or established against it as a result of the Permit Holder's default.
- (d) Notwithstanding the above provision, the Government Representative may as its own discretion terminate the Agreement in accordance with Clause 40 hereof as a result of the Permit Holder's default.

35. Accident to Permit Holder's Employees

- (a) The Government, its employees and agents shall not be under any liability whatsoever for or in respect of any injury to or death of any of the Permit Holder's employees or agents save and except such injury or death caused by the negligence of the Government or its employees or agents.  - (v) any loss or damage sustained by or any injury to or death of any third party which is partially or jointly in consequence of any negligence, omission, default of the Government or its employees or any agent under statute and under common law as long as such loss or damage sustained by or any injury to or death of such third party is partially or jointly attributable to the Permit Holder or his employees or agents engaged by the Permit Holder (if any) in the manner as described in (i) to (iv) above.
- (b) The indemnities, payment and compensation given in pursuance of the Agreement by the Permit Holder shall not be affected or reduced by reason of any failure or omission of the Government Representative in enforcing any of the terms and conditions of the Agreement, or in supervising or controlling the Permit Holder's operation or method of working, or in detecting or preventing or remedying any defective work carried out by the Permit Holder, his employees or agents.

37. Public Liability Insurance

There shall be no limit to the number of claims during the period of insurance.

- (b) The policy of insurance shall cover full liability to pay damages or compensation as a result of the damage to properties, death of or injury to or illness suffered by any person arising out of any act, negligence or default of the Permit Holder, the Government or their employees and agents. The policy of insurance shall also indemnify all sums which the Permit Holder and the Government shall become legally liable to pay as compensation for bodily injury due to any food, drinks and/or other commodities sold/provided by the Permit Holder at the Venue.
- (c) The Permit Holder shall keep the aforesaid policy of insurance in force during the continuance of the Agreement and shall forthwith deposit with the Government Representative a copy of such policy of insurance together with the receipt for payment of the current premiums.
- (d) If the terms of the policy of insurance taken out by the Permit Holder require the insured parties to bear any excess amount in the event of claims, the Permit Holder shall be personally and solely responsible for the payment of such excess amount and shall indemnify the Government for such payment. Under no circumstances whatsoever shall the Government be responsible for the premium payable under the public liability insurance policy or the premium payable for the renewal thereof.

The Permit Holder shall bear the economic consequences of, and indemnify the Government in full from and against any loss and liability which may arise from any failure of the Permit Holder to observe and comply with this clause.

38. Failure to Insure

If the Permit Holder shall fail to effect or to keep in force the policy of insurance referred to in Clauses 35 and 37 hereof or any other policy of insurance which it may be required to effect under the terms and conditions of the Agreement, the Government Representative may effect and keep in force any such policy of insurance and pay such premium or premiums thereof as may be necessary for that purpose and may from time to time deduct the amount so paid from the Security Deposit in accordance with Clause 8 hereof or may recover the same as a debt due from the Permit Holder.

39. Corrupt Gifts

- (a) If the Permit holder or any of the Permit holder's employees or agents commits an offence under the Prevention of Bribery Ordinance (Cap. 201) or under any law of a similar nature in relation to the Agreement or any other Government contracts, the Government Representative may, on behalf of the Government, summarily terminate the Agreement, without entitling the Permit holder to any compensation therefor.

- (b) The Permit holder shall be liable for all expenses necessarily incurred by the Government as a result of the termination of the Agreement under this clause.
- (c) The Permit holder shall not, whether by himself or by any person employed by him to provide the services, solicit or accept any gratuity, tip or any other form of money taking or reward, collection, or charge for any part of the services other than charges properly approved in writing by the Government Representative under the Agreement. The Permit holder shall prohibit his employees and agents who are involved in this Agreement from offering, soliciting or accepting any advantage as defined in the Prevention of Bribery Ordinance (Cap. 201) when conducting business in connection with this Agreement.
- (d) The Permit holder shall within fourteen (14) days after the commencement of the Agreement draw up and submit a staff code of conduct to the Government Representative including, among other probity issues, a statement explicitly prohibiting any person employed by him to provide the services from soliciting or accepting any form of advantages in discharging his duties under the Agreement. The Permit holder shall ensure that any person employed by him to provide the services is well aware of the prohibited acts explicitly stated in Clause 39(c) above and of the staff code of conduct. The code of conduct should form part of the employment contract to ensure acknowledgement and compliance by the employees.

40. Termination

- (a) Without prejudice to any right or action or remedy which shall have accrued or shall accrue thereafter to the Government Representative, the Government Representative may at any time by notice summarily terminate the Agreement without entitling the Permit Holder to compensation in any of the following events –
 - (i) if the Permit Holder fails or neglects to observe or perform any of the terms and conditions of the Agreement or fails to pay any of the sums payable by the Permit Holder under the Agreement or in the case of a breach capable of being remedied, will have failed within fourteen (14) days or such longer period as the Government Representative may allow after the receipt of a notice in writing from the Government Representative so to do to remedy the breach (such notice shall contain a warning of the Government Representative's intention to terminate the Agreement); or
 - (ii) if the Permit Holder goes into liquidation, or is at any time adjudged bankrupt, or is having a receiving order or orders for administration of his estate made against him, or takes any proceedings for liquidation or composition under the Bankruptcy Ordinance (Cap. 6) for the time being in force, or becomes insolvent, or makes a proposal for a composition or a scheme of arrangement or makes any conveyance or assignment of his effects for the benefit of his creditors or purports so to do, or suffers any execution to be levied on his goods and assets in the Permit Area, or a petition is filed for the bankruptcy or winding up of his General Restaurant Business otherwise than for the purpose of a reconstruction or amalgamation previously approved by the Government Representative in writing; or
 - (iii) if the Permit Holder, being a company, passes a resolution, or the court makes an order, or a receiver or manager is appointed on behalf of the debenture holders, or circumstances which entitle the court or debenture holders to appoint a receiver or

manager have arisen, for the liquidation of the Permit Holder's assets; or

- (iv) if the Permit Holder assigns or purports to assign all or any part of the burden or benefits of the Agreement without the prior written consent of the Government Representative.
- (b) Notwithstanding any provision to the contrary, either party may terminate the Agreement by serving to the other party a six (6) month's prior notice in writing specifying the date of termination provided that the said date of termination shall be a date at least eighteen (18) months after the commencement of the Agreement.
- (c) If the Government Representative shall at any time be prevented from performing the Agreement by force majeure, then the Agreement shall terminate immediately but without prejudice to the rights and remedies of either party against the other in respect of any antecedent claim or breach of any of the terms and conditions of the Agreement.
- (d) For the purpose of Clause 40(c), "force majeure" means acts of God, strikes, lockouts, acts of war, civil disorders, governmental laws, orders or regulations or other similar or different events or contingencies beyond the reasonable control of the respective parties. For these purposes an event shall not be deemed to be within the control of the Government Representative on the grounds that the Government Representative could have prevented that event by acceding to any unreasonable demands of an authority, corporation, trade union, association or person.

41. Effect of Termination

- (a) Upon termination of the Agreement –
 - (i) the Permit Holder shall immediately deliver up vacant possession of the Permit Area including the appliances, furniture, fixtures and fittings provided by the Government Representative or the Government therein in good repair (fair wear and tear excepted) and in clean and hygienic condition. Provided always that where the Permit Holder has made any alterations or installed any fixtures or additions to the Permit Area with or without the Government Representative's consent, the Government Representative may at its discretion require the Permit Holder to reinstate or remove at the Permit Holder's own expense such alterations, fixtures, fittings or additions or such part or portion thereof as the Government Representative may require and to make good and repair in a proper and workmanlike manner any damage to the Permit Area and to the fixtures and installations thereof before delivering up the Permit Area to the Government Representative;
 - (ii) the Permit Holder shall at his own expense forthwith retreat all his employees or agents and remove from the Permit Area all his fixtures, fittings, structures, materials, machinery, equipment, plant and all other properties which the Government Representative does not desire to take over. The Permit Holder shall at his own expense make good any damage to the Government premises, property, machinery and equipment which are caused by such retreat or removal;
 - (iii) the Permit Holder shall return all Government premises, property, machinery and equipment provided by the Government under the Agreement in the manner as stipulated in Clause 30 hereof;
 - (iv) if the Permit Holder shall fail to comply with Clause 41(a)(ii), the Government

Representative may forthwith enter the Permit Area to remove any person therein, or to remove any fixtures and fittings so installed or erected, or any property, materials, machinery and equipment found therein and to effect the necessary repair and cleansing work so as to keep the Permit Area in a good repair and clean and serviceable condition. The Government Representative reserves the right to take over or to dispose of in whatsoever manner it deems appropriate and without any liability and compensation whether towards the Permit Holder or any other party any fixtures and fittings so installed or erected and any chattels not collected or removed by the Permit Holder upon the termination of the Agreement. All costs, losses, damages or expenses incurred by the Government Representative as a direct or indirect result of the breach of the Agreement under this clause shall be recoverable as a debt due from the Permit Holder.

- (b) Any termination of the Agreement howsoever occasioned shall not affect any accrued rights or liabilities of either party nor shall it affect the coming into force or the continuance in force of any provision hereof which is expressly or by implication intended to come into or continue in force on or after such termination.

42. Recovery of Sums Due

Whenever under the Agreement any sum of money (including but not limited to rates and Government rent payable in respect of the Permit Area) shall be recoverable from or payable by the Permit Holder to the Government (but the Permit Holder has failed to pay the same by the due date), the Government Representative is entitled to deduct the same from any sum then due or which at any time thereafter may become due to the Permit Holder under this or any other agreement or agreements with the Government or from the Security Deposit in cash or by making a call on the banker's guarantee in accordance with Clause 8 hereof forthwith without notice.

43. Jurisdiction

The Agreement shall be governed by and construed according to the laws of the Hong Kong Special Administrative Region and the parties hereto irrevocably submit themselves to the exclusive jurisdiction of the courts of the Hong Kong Special Administrative Region.

44. Licence, Permit and/or Certificate

- (a) The Agreement does not confer exemption from any licensing requirements pertaining to the Permit Holder's General Restaurant Business.
- (b) The Permit Holder shall apply to the appropriate authorities to obtain or renew, as the case may be, all licences, permits and/or certificates required by the laws of the Hong Kong Special Administrative Region for the conduction of his General Restaurant Business. The Permit Holder shall make no claim of any kind whatsoever against the Government Representative in the event of the Permit Holder's failure or inability for any reason to obtain or renew any such licences, permits and/or certificates.
- (c) It will be unlawful for the Permit Holder to conduct his General Restaurant Business without the licences, permits and/or certificates as required by the laws of the Hong Kong Special Administrative Region, notwithstanding the granting of the Permit by the Government Representative. The Permit Holder shall not provide any service or for sale of any commodities for which any licence, permit and/or certificate is so required by law without first obtaining such licences, permits and/or certificates. The Permit Holder shall

assume full responsibility for ensuring that those licenses, permits, and/or certificates shall remain in full force and effect as long as the Agreement shall remain in force.

- (d) Since it will necessarily take time for the relevant authorities to consider and decide on an application for the requisite licences, permits and/or certificates, the Permit Holder agrees and accepts that there will be no abatement or reduction of the Monthly Permit Fee on the grounds that the Permit Holder cannot conduct his General Restaurant Business pending the consideration of his applications and issuance or renewal of the relevant licences, permits and/or certificates. For avoidance of doubt, the non-issuance of the relevant licences, permits and/or certificates by relevant authority does not constitute any grounds for the abatement of the Monthly Permit Fee.
- (e) The Permit Holder shall observe and comply with the conditions of any licence, permit, and/or certificate issued to him in relation to the performance of the Agreement.

45. Applicability of Public Health and Municipal Services Ordinance

The Agreement is subject to the provisions of the Public Health and Municipal Services Ordinance (Cap. 132), and of all regulations made thereunder, which may be applicable to the Venue, the Permit Area and to the General Restaurant Business.  - (i) when left at the address of the recipient if delivered by hand during normal business hours; or
 - (ii) one (1) working day after despatch by post; or
 - (iii) when successfully despatched by facsimile.

48. Waiver of Remedies

- (a) No forbearance, delay or indulgence by either party in enforcing the provisions of the Agreement shall prejudice or restrict the rights of that party. Nor shall any waiver of its rights operate as a waiver of any subsequent breach and no right, power or remedy herein conferred upon or reserved for either party is exclusive of any other right, power or

remedy available to that party and each such right, power or remedy shall be cumulative.

- (b) Acceptance of any payment by the Government Representative shall not be deemed to operate as a waiver by the Government of any right to proceed against the Permit Holder in respect of any breach, non-observance or non-performance by the Permit Holder of any of the terms and conditions of this Agreement on the Permit Holder's part to be observed and performed.

49. Severability

- (a) In the event that any provisions of the Agreement or any part of any such provisions shall at any time be adjudged to be invalid, unlawful, illegal or otherwise howsoever unenforceable under any applicable laws of the Hong Kong Special Administrative Region, such provision or such part of such provisions, as the case may be, to but only to the extent required by such laws, shall be severed from the Agreement and rendered ineffective so far as possible without modifying the remaining provisions hereof.
- (b) If at any time any one or more provisions hereof shall be adjudged to be invalid or illegal in any respect under any applicable laws of the Hong Kong Special Administrative Region, the validity, legality or enforceability of the remaining provisions hereof shall not in any way be thereby impaired or affected.
- (c) Where, however, the provisions or any such applicable laws of the Hong Kong Special Administrative Region may be waived, they are hereby waived by the parties hereto to the full extent permitted by such laws to the end that the Agreement shall be valid, binding and enforceable in accordance with its terms and conditions.

50. Relationship of the Parties

- (a) Nothing in the Agreement shall be construed as in any way constituting a partnership between the parties.
- (b) Neither party shall without the prior approval in writing of the other commit that other party to any obligation other than those prescribed in the Agreement.

51. Mediation

The parties hereto agree that any dispute or claim arising out of or in connection with this Agreement ('the Dispute') shall be referred to mediation prior to commencement of litigation. In default of Agreement, the Dispute shall be referred to mediation at the Hong Kong International Arbitration Centre in accordance with its Mediation Rules. In case the Dispute cannot be resolved by mediation, the Dispute shall be referred to, and finally settled by, arbitration in accordance with and subject to the provisions of the Arbitration Ordinance (Cap. 609).

52. Entire Agreement

The Agreement embodies the entire understanding of the parties and supersedes all prior agreements, arrangements and undertakings between the parties and constitutes the entire agreement between the parties relating to the subject matter thereof.
