- Note 1: The courses bearing ^{Note 1} in the above table are the certificate courses under the progressive training schemes of the Hong Kong Canoe Union, Hong Kong Sailing Federation and Windsurfing Association of Hong Kong (NSAs). Effective from 1 January 2015, all applicants for these NSAs certificate courses at intermediate or above levels and the LCSD's intermediate and above level clinics/trips are required to produce the logbooks and certificates/proof of qualification issued by the NSAs. Such logbooks and certificates/proof of qualification are available to participants of basic or equivalent level kayak, sailing and windsurfing certificate courses, upon purchase from/application to their instructors/coaches immediately after they have been assessed as reaching the standard set by the respective NSAs. The relevant fees are stipulated by the NSAs and are payable to the instructors/coaches by the participants. For enquiry, please call the NSAs direct or check with the course instructors in the training (canoeing: 2504 8186, sailing: 2504 8159 and windsurfing: 2504 8255). The LCSD will continue to issue the Water Sports Activity Logbook (LCSD Logbook) free of charge to participants who have completed the above basic or equivalent level courses and passed the relevant assessments. The LCSD Logbook will serve as proof of the participants' eligibility to hire craft at the water sports centres for self-practice or participate in the department's relevant clinics/trips of basic level. The aforementioned new requirement does not apply to individuals who have been issued with the LCSD Logbook on or before 31 December 2014. LCSD will recognize the qualifications and sailing hours as recorded in the LCSD Logbook continuously. For enquiries, please call the water sports centres. Participants may also approach their instructors/coaches during their course for further information.
- Note 2: The destination as marked in the bracket () is tentative only. The routing and destination of the sea trip will be finalized by the Centre according to the weather of the activity day.
- Note 3: The programme name of Junior Basic / Intermediate Windsurfing Training Course and Junior Advanced Windsurfing Training Course have been renamed as Windsurfing Discovery (Junior) Training Course and Basic (Junior) Windsurfing Training Course respectively.
