Report on the Participation of the HKSAR Delegations to the 15th National Games, the 12th National Games for Persons with Disabilities and the 9th National Special Olympic Games

Purpose

This paper aims to report to Members on the preparatory work and participation summary of the Hong Kong Special Administrative Region (HKSAR) Delegations to the 15th National Games (NG), the 12th National Games for Persons with Disabilities (NGD) and the 9th National Special Olympic Games (NSOG) (together referred to as the NGDSO).

Participation Arrangements for the HKSAR Delegations

The 15th NG

2. The 15th NG featured 34 competition events and 23 mass participation events (including 19 competition categories and four demonstration categories). The HKSAR Delegation participated in 28 competition events, involving a total of 602 athletes from 30 national sports associations (NSAs); and 23 mass participation events, involving a total of 760 athletes from 26 NSAs/organisations. In addition, Hong Kong staged eight competition events, namely basketball (men's U22), track cycling, fencing, golf, handball (men), rugby sevens, triathlon and beach volleyball; and one mass participation event of bowling.

(i) Competition Events

3. The opening and closing ceremonies of the 15th NG were held at the Guangzhou Olympic Sports Center on 9 November 2025 and at the Happy Theater in Shenzhen Bao'an district on 21 November 2025 respectively. In the competition events of the 15th NG, the HKSAR Delegation captured a total of 19 medals, including nine gold, two silver and eight bronze medals. For details, please refer to **Annex I**.

(ii) Mass Participation Events

4. The finals of the mass participation events were successfully held between May and November 2025 in Guangdong, Hong Kong and Macao. The HKSAR Delegation secured a total of 12 medals, including three gold, six silver and three bronze medals, and was also awarded one First Prize, two Second Prizes and one Third Prize. For details, please refer to **Annex II**.

NGDSO

5. The NGDSO featured 46 events. Among these, the NGD included 20 Summer Paralympics and Deaflympics events, six Winter Paralympics and Deaflympics events (with competitions held in advance outside Guangdong province) and 11 mass participation events. Hong Kong sent 187 athletes to compete in 14 competition events and 40 athletes for four mass participation events in the NGD. For the NSOG, 59 athletes represented the city in seven out of nine competition events. In addition, Hong Kong staged four competition events, namely boccia, wheelchair fencing and table tennis (TT11) for the NGD, and table tennis for the NSOG, along with the para dance sport mass participation event.

6. In accordance with the notice issued by the office of the Organising Committee of the NGDSO, the opening ceremony of the NGDSO originally scheduled to be held in Guangzhou on 8 December was cancelled. A simple closing ceremony was held at the Shenzhen Sports Center stadium on 15 December 2025.

(i) NGD

7. The Paralympics and Deaflympics events of the NGD commenced on 27 February 2025. In the NGD competition events, the HKSAR Delegation won 60 medals, including 11 gold, 23 silver and 26 bronze medals. For details, please refer to **Annex III**.

8. In the mass participation events, a total of 40 athletes nominated by three NSAs/organisations participated in four of the 11 events. The HKSAR Delegation secured a total of six medals, including three gold and three silver medals. For details, please refer to **Annex IV**.

(ii) NSOG

9. The NSOG featured a total of nine competition events, and the Special Olympics Hong Kong nominated 59 athletes to compete in seven events. The HKSAR

Delegation won 76 medals, including 38 gold, 24 silver and 14 bronze medals. For details, please refer to **Annex V**.

HKSAR Delegation Size

10. The HKSAR Delegations participating in the 15th NG and the NGDSO were their largest-ever, with a total of 2 259 members. This comprised 1 831 for the 15th NG (878 in competition events and 953 in mass participation events) and 428 for the NGDSO (339 in NGD and 89 in NSOG). The size of these delegations reached a record high, marking a significant increase in number of members compared to the 14th NG and the preceding NGDSO.

Medical Services and Doping Control

11. In view of the unavailability of athletes' villages at the 15th NG and the NGDSO, the increased number of participating athletes compared to previous editions, and the geographical spread of competition venues across Guangdong, Hong Kong and Macao, the Secretariats arranged for medical staff to accompany the delegations and be stationed at the athletes' hotels to offer appropriate medical support. The Hong Kong Sports Institute (HKSI) coordinated with other organisations to deploy a total of 87 medical staff, comprising 78 members providing medical services for the 15th NG and 9 members for the NGDSO.

12. In terms of anti-doping education, the Anti-Doping Organization of Hong Kong, China Limited (ADOHK) conducted 7 anti-doping talks in preparation for the 15th NG and the NGDSO. The talks, delivered by the staff from the education department under the ADOHK, covered the Prohibited List, the Therapeutic Use Exemption application process, the whereabouts filing requirements, and the consequences of non-compliance. The aim was to enhance the understanding of anti-doping rules among athletes, coaches and support staff to prevent inadvertent doping and to prepare for doping tests.

Flag Presentation Ceremonies and Commendation Ceremony

13. The Flag Presentation Ceremonies for the 15th NG and the NGDSO were successfully held on 15 October 2025 at Kowloon Park Sports Centre and on 24 November 2025 at Tiu Keng Leng Sports Centre respectively. Additionally, the Commendation Ceremony for both Games took place on 12 February 2026 at Ma On Shan Sports Centre to recognise the athletes' outstanding performance.

Arrangements for Temporary Secretariat and VIPs

14. As the 15th NG and the NGDSO were jointly hosted for the first time by Guangdong, Hong Kong and Macao, the Secretariat set up temporary secretariats in the three regions respectively during the Games to provide support for the delegations. This arrangement was based on the overall competition schedule published by General Administration of Sport of China and the China Disabled Persons Federation, while taking into account the HKSAR delegations' participating events, the number of participating athletes, event dates and venue allocation.

15. Between July and December 2025, the Secretariats arranged visits for VIPs to attend the opening and closing ceremonies of the 15th NG and the NGDSO, and various events in Guangdong, Hong Kong and Macao, to support the athletes. The itinerary included 15th NG competition events such as shooting, sailing, track cycling, wushu, rowing, beach volleyball, volleyball, swimming, equestrian, handball, basketball, rugby, golf, triathlon, fencing, tennis and table tennis; 15th NG mass participation events including dragon boating, bowling, broadcast gymnastics and badminton; NGDSO competition events including athletics, badminton, deaf basketball, boccia, swimming, table tennis and wheelchair fencing; the NGDSO mass participation event in para dance sport; and NSOG events including badminton and table tennis. The VIPs, including members of the Organising Committee of the HKSAR Delegations and its Executive Committee, and representatives from the Secretariat, also officiated at the medal ceremonies.

Focal Sites

16. The Leisure and Cultural Services Department set up focal sites at its designated sports centres in 18 districts to broadcast the 15th NG events from 9 to 21 November 2025 and the NGDSO events from 8 to 15 December 2025, allowing the public to experience the excitement of these spectacular events while cheering on the competing Hong Kong athletes. The focal sites were open daily from 8:00 am to 11:00 pm. Details were uploaded to a dedicated website for public access.

Conclusion

17. Co-hosted by Guangdong, Hong Kong and Macao for the first time, this edition represents not only an unprecedented undertaking in the history of NG but also a clear demonstration of the country's firm support for the collaborative development of the Guangdong-Hong Kong-Macao Greater Bay Area. It marks an important milestone in

Hong Kong's integration into the overall national development, carrying great significance and far-reaching impact.

18. At this year's NG and NGDSO, the HKSAR sent its largest-ever delegations. Hong Kong athletes gave their utmost in the competitions and showcased their full potential, achieving historic success in both Games. Their outstanding results are truly inspiring. They demonstrated indomitable fighting spirit, remarkable performance and exemplary sportsmanship, winning warm applause and deep admiration from all sectors of the community.

19. Hong Kong athletes delivered excellent performances in multiple events at this year's NG and NGDSO. In addition to their hard work and rigorous training, their accomplishments also hinged on the selfless dedication of the coaching teams, medical staff and support personnel from the HKSI and various national sports associations. Their collective efforts contributed to the HKSAR delegations' successful participation in the 15th NG and the NGDSO.

20. The 16th NG and the next NGDSO will be held in Hunan in 2029.
