Events
and
Format:

Participants must compete in two events, namely (A) Target Distance and (B) Putting Contest:

(A) Target Distance

Each participant at the specified bay of the driving range will drive the ball off to each of the two target distances (approximately 40 yards and 100 yards) on the green for 5 times. If the ball lands on the green, 5 points will be scored (counted on the basis of the position where the ball lands). The total score in this event is the sum of points gained for 10 balls and the maximum score is 50.

(B) Putting Contest

Each participant will putt the ball from the drop zone to each of the two target hole on the artificial green. The distance of this event is no less than 15 yards. If the ball drops into the hole with one putt, 25 points will be scored. If the ball lands in the small white ring or on its margin, 20 points will be scored. If the ball lands in the middle white ring or on its margin, 15 points will be scored. If the ball lands in the large white ring or on its margin, 10 points will be scored. If the ball lands outside the large white ring on the artificial green, 5 points will be scored. If the ball lands outside the artificial green, zero point will be scored. All the points will be counted on the basis of the position where the balls lie. The total score in this event is the sum of points gained for 2 balls and the maximum score in this event is 50.

Awards:

Prizes will be awarded to the Champion, 1st and 2nd runners-up of each division. Medals will be awarded to the winners of Single Divisions while trophies will be awarded to the winners of Parent-child's Double Division.

In Parent-child's Double Division, the total scores of the two participants in all the two events will be counted. The maximum score of the two events is 200. Prizes will be awarded to the Champion, 1st and 2nd runners-up of each division. In case of ties in each division, the total score of each event A and B will be compared until the winner is decided.
