- Safety guideline of workplace will be shared.
- Appropriate PPE should be worn.

Drone assistance
-safer, more efficient and
accurate tree management

QR code on tree tags for
sharing the details of the
specific trees.

Natural Fun Sharing

Rainwater Harvesting System

For irrigation and cleaning in
Gold Coast Piazza, to contain
the freshwater demand.

Technology Synergies

Fun Farm

Smart Robot Cleaner
- fallen leaf cleanup

Robotics-enabled fogging
- mosquito control
