

東北環走訪烏荔

Wu Kau Tang - Luk Keng

簡介

BRIEF

由烏蛟騰沿犁頭石古道到荔枝窩，遊古廟，細味客家村莊文化，尋老榕樹、千呎藤蔓、通心樹、紅樹林及銀葉樹的板根。在遊覽印洲塘海岸公園後，再經分水凹探尋古碑，沿谷埔出雞谷樹下。路程頗長，沿途有上下坡段，中途並無其他路徑離開。

Enter the ancient footpath of Lai Tau Shek from Wu Kau Tang and proceed to Lai Chi Wo. On the way, visit the ancient temple and the Hakka village. Take a close look of the old banyan, white-flowered derris, hollow tree, mangroves and the buttress roots of looking glass trees. Visit Yan Chau Tong Marine Park before checking out the stele at Fan Shui Au. Then head toward Kai Kuk Shue Ha via Kuk Po. The route is rather long with uphill and downhill sections but no exit points.

STARTING
POINT

烏蛟騰 (KK163914)

- 可到港鐵大埔墟站乘搭綠色專線小巴路線 20R 號直達。

Wu Kau Tang
