Note:

- (1) Under the Protection of Endangered Species of Animals and Plants Ordinance, Cap. 586 of the Laws of Hong Kong (the Ordinance), the import, export, re-export or possession of scheduled plant species (e.g. orchids, pitcher plants, cacti, cycads, succulent euphorbias, aloes, Venus flytraps and air plants) requires a license issued in advance by the Agriculture, Fisheries and Conservation Department. Any person contravening the licensing requirements of the Ordinance will be liable to a maximum fine of HK\$5 million and imprisonment for 2 years upon conviction. Please refer to the Ordinance and the schedules for details.
- (2) Under the Pesticides Ordinance, Cap. 133 of the Laws of Hong Kong, any person who imports, supplies or sells registered pesticides in Hong Kong (e.g. insecticides, herbicides, fungicides, etc) must possess a pesticides license issued by the Agriculture, Fisheries and Conservation Department (AFCD) and comply with the license conditions. All premises for carrying out the pesticides business should be shown on the license. In addition, no person should possess unregistered pesticides unless a pesticides permit is granted by the AFCD. Any person who contravenes the Pesticides Ordinance may be prosecuted and is liable on conviction to a fine and to imprisonment.
- (3) Sale of prohibited and pirated goods is strictly forbidden.
- (4) No sale of any additional new items unless prior permission has been obtained from the Government.
- (5) The Licensee must obtain valid licences from the relevant authorities pertaining to the saleable commodities aforesaid before commencement of his Business.
- (6) The Licensee of the fast food stall for 'EatSmart Restaurants' shall be eligible to participate in the "EatSmart@restaurant.hk" Campaign under the Department of Health. The Licensee must sell at least five fast food items on regular basis, which are considered to be "More Fruit and Vegetables" and the "3 Less" under the EatSmart Campaign, and display the valid EatSmart Decal during the Licence Period.
