

LCSD Cup

Calculation of School Placings in Scoring Events

(I) Team Competitions

- For competitions with a single set of team placings in a division (i.e. “Primary School Boys’ Division”, “Primary School Girls’ Division”, “Secondary School Boys’ Division”, and “Secondary School Girls’ Division”), these team placings will count directly towards a school’s overall LCSD Cup ranking in that school year.
- For competitions with multiple team placings in a division (e.g., Primary School Senior and Junior divisions, or groupings by age), all team placings within that division will first be consolidated into a single placing for a school. This consolidated placing will then count towards the school’s overall LCSD Cup ranking in that school year.

(II) Individual Competitions

- A school’s placing will be based on the results of all individual events/groupings within a division, and this overall placing will count towards the school’s overall LCSD Cup ranking in that school year.

(III) Calculation of School’s Placings

For the calculation of a school’s placings, only the top 8 positions in each individual event/grouping will earn points for the school, according to the following structure:

Place	1st	2nd	3rd	4th	5th	6th	7th	8th
Points Awarded	10	8	7	6	5	4	3	2
Points Awarded	10	8	7	6	3.5	3.5	3.5	3.5

Notes:

- (1) In the event of a tie in positions, the tied schools will each be awarded equal points for that position, and the subsequent position(s) will be left vacant.*
- (2) For competitions where no classification matches are held for the 5th to 8th places, schools that finish between 5th and 8th will each be awarded 3.5 points.*
- (3) Team Competitions: If a school enters more than one team in the same event/grouping, only the best team result in that event will be counted.*
- (4) Individual Competitions: If a school enters more than one participant in the same individual event/grouping, the results of all the school’s participants in that event will be counted.*
- (5) Schools whose teams/students do not advance to the knockout stage will not be awarded any placement points.*

(IV) Important Notes

- The LCSD reserves the right of final decision over any disputes or issues arising from the calculation of school's placings for scoring events, including the right to amend the relevant terms and conditions at any time without prior notice.
