12. Format:

- a. The single round robin system on a group basis shall be adopted. The team that comes first in each group shall proceed to the First Knockout Round. (If there are fewer than eight groups, the team that comes second in each group shall draw lots for the right to take the place(s), the number of which is subject to that of unfilled place(s).) The rally point scoring system shall be adopted in the competition, in which the team shall have the right to serve after scoring a point. The 31-point scoring system shall be adopted for all sets. There shall be no ties in the Preliminary Round and the First Knockout Round, and the team that first scores 31 points shall win. Ties shall be played in the Second Knockout Round, Semi-finals & Finals. The team that first scores 31 points and is 2 points ahead of its opponent shall win. The winning team shall score two points, the losing team one point and the teams withdrawing from the competition no points.

Preliminary Round:

In both Boys' and Girls' Divisions, teams are drawn into eight groups of four. Each group will play a single round

robin.

First Knockout Round:

The first-placed team from each preliminary group advances to this stage. These eight teams will be divided into two groups of four, where they again play a single round robin. Teams in each group will be ranked from 1st to 4th based on their points. All teams will proceed to the Second Knockout Round.

Second Knockout Round:

Cross knockout matches will be played in each group as follows: 1st place vs 4th place, and 2nd place vs 3rd place. The winning teams will advance to the Semi-finals, while the losing teams will enter the playoffs for the 5th to 8th places.

Semi-finals & Finals:

The four winning teams from the Second Knockout Round will compete in the cross-matched Semi-finals. The winning teams will play in the Final and the losing teams will play in the Third Place Playoff.

- b. In Preliminary Round and First Knockout Round, if two teams tie on points, the winner of the match between the two teams shall be awarded the higher position. If three or more teams tie on points, their ranking will be decided by the quotient of points gained divided by points lost in the matches involving such teams. Should the tie still present, their ranking will be decided by the quotient of points gained divided by points lost in all their games played in group. If still tie, ranking will be decided by lots drawing or balloting.
- c. Each mini-volleyball team shall consist of a minimum of 4 players and a maximum of 4 substitute players. 2 teams will play on a court divided by a net. The height of the mini-volleyball net is 2.1 metres.
- d. Players' positions: there will be no restrictions on front-row and back-row positions, but the service order must be followed. All players can hit the ball over the net to the opposite court or block shots from the opposite court at any time, but they are not allowed to block an opponent's service.
- e. Like volleyball players, mini-volleyball players mainly use their hands or palms to hit the ball, but any part of the body may touch the ball. The game is played by each team sending the ball over the net with the aim of grounding it on the opposite court with a limited number of hits, following the prescribed rules, and preventing the ball from grounding on its own court.
- f. A rally begins when the player at the right of the back row (i.e. No. 1 position) player serves the ball from behind the end line over the net into the opposite court and ends when either the ball grounds on the opposite court, grounds outside the court or touches any obstacle and hence cannot be hit back according to the rules.
- g. In the matches, each team is entitled to a maximum of 3 hits before sending the ball over the net. A player cannot hit the ball twice consecutively (except for shot blocking). Any part of the body can be used to hit the ball.
- h. Service order: when a team wins a point and is awarded the right to serve, the next server must move to No. 1 position in the back row to serve the ball.
- i. Exchange of court sides: when one of the teams earns 16 points, the 2 teams shall exchange their court sides.

- j. Time-out: the coach or captain of each team is allowed one 30-second time-out in each set.
- k. Substitution: the coach or the captain of each team can make 4 substitutions in each set. A substitute player shall be paired with the player he/she will replace. In other words, if a substitute player has replaced a player, the former can only be replaced by the latter in the same set.
- l. Points shall be deducted when faults are committed as follows:  
The ball fails to cross the net or is out of the court when it is served / the ball grounds on the same court of the playing team / the ball is hit out of the court / a player hits the ball twice consecutively / one of the teams hits the ball more than thrice consecutively / the net is touched by any player(s) etc.
- m. The team should complete all matches. If a team withdraws from a match; its opponent will be adjudged the winner with a set score of 31 to 0. The withdrawers will be disqualified from playing in the remaining matches.
- n. Unless otherwise stipulated in this prospectus, all other rules shall follow the current competition regulations employed by the Volleyball Association of Hong Kong, China.
- o. The Organiser reserves the right to make any changes to the format as deemed necessary.
