Without prejudice to other rights and remedies of the Government, the defaulting Tenderer shall be responsible for the difference in the total Monthly Permit Fee submitted by that defaulting Tenderer and the eventual Permit Holder who will be granted the Contract in replacement of the defaulting Tenderer whether appointed pursuant to this Invitation to Tender exercise or another subsequent invitation exercise as well as all administrative costs incurred by the Government in finding a replacement permit holder and implementing any stop-gap measures during the time when no replacement permit holder can be appointed. On the other hand, notwithstanding anything in the Tender Documents or in the Conditional Acceptance of Tender to the contrary, in the event that the Government exercises any of its discretion under Clause 34 of Terms of Tender, the Government shall be entitled not to enter into the Contract with a Tenderer even if the Tenderer has received a Conditional Acceptance of Tender and fulfilled all the conditions specified in Clause 15(b).
- (e) A Tenderer who does not receive any notification of acceptance within one hundred and fifty (150) days or any other period specified by the Government Representative from the Tender Closing Date shall assume that its tender has not been accepted.

16. Tender to Remain Open

- (a) A tender submitted shall remain valid and open for acceptance on these terms for not less than one hundred and fifty (150) days from the Tender Closing Date.

- (b) If a Tenderer does not state in its tender the period for which the tender is to remain valid and open for acceptance, the Tender Validity Period of that Tender will be one hundred and fifty (150) days after the Tender Closing Date.
- (c) If a Tenderer offers in its tender a period that is shorter than one hundred and fifty (150) days, the Government will clarify with the Tenderer concerned, in which case the Tenderer must confirm compliance with Clause 16(a) within five (5) working days or such other period as specified by the Government without any other change to the Tender (except any change made in response to any clarification by the Government pursuant to Clause 9). If the Tenderer fails to confirm compliance with Clause 16(a) within the specified deadline or, despite confirming compliance therewith, introduces any change to the tender not in response to any clarification by the Government pursuant to Clause 9, its tender will not be considered further.
- (d) If before expiry of the Tender Validity Period, a Tenderer withdraws its offer, the Government will take due notice of the Tenderer's action and this may prejudice its future standing as a Government contractor.

17. Offers to be binding

All parts of the Tender Documents submitted and offered by the Tenderer will be binding on the Tenderer after granting the Permit. A Tenderer is deemed to have satisfied itself as to the correctness of its Tender. In the event that a Tenderer discovers an error in its Tender after the Tender has been deposited, the Tenderer may correct the same in a separate letter before the Tender Closing Date. Without prejudice to the Government to seek clarification or negotiate with any Tenderer, no request from the Tenderer for adjustment or variation whatsoever will be allowed or entertained after the Tender Closing Date.

18. Counter-proposals

- (a) Tenderers must not submit any proposal that has the effect of varying or modifying:
 - (i) any essential requirements specified in the Tender Documents; and
 - (ii) the provisions in the Tender Documents concerning the preparation, submission and evaluation of Tenders and the grant of the Contract.
- (b) If a Tenderer fails to comply with Clause 18(a), subject to any clarification which the Government may, but is not obliged to, make under Clause 9, its Tender will be disqualified and will not be considered further by the Government.
- (c) Tenderers must not submit counter-proposals to provisions other than those as specified in Clauses 18(a) or 18(d). Upon contravention of this Clause, the Government may disqualify the Tenderer, unless the Government in its absolute discretion elects to negotiate with the Tenderer concerning such counter-proposal. Following such negotiation, if the Tenderer is unwilling to withdraw such counter-proposal, or revises it on terms acceptable to the Government, the Government may still disqualify the Tenderer. Any accepted counter-proposal following a successful negotiation shall be deemed as part of the Tenderer's Tender and forms part of the Contract and shall be binding on the Tenderer if the Contract is eventually awarded to it.

- (d) Without prejudice to Clause 18(a), any Tenderer who submits a tender that directly or indirectly attempts to preclude or limit the effect of any provisions of these Terms of Tender may also be disqualified.

19. State of Premises

The successful Tenderer shall arrange with the Government Representative to inspect the Permit Area at a reasonable time and the Permit Holder shall accept the Permit Area in the state and condition in which they are at the date on which possession is given.

20. Use of Personal Data

- (a) All personal data provided in a Tender will be used by the Government for the purposes of the Invitation to Tender and all other purposes arising from or incidental to it (including for the purposes of tender evaluation, award of the Contract and resolution of any dispute arising from this Invitation to Tender). In the case of the successful Tenderer, the purposes shall be extended to include enforcement and management of the Contract, and resolution of disputes arising from the Contract. The Government may further disclose the personal data to such persons as it considers necessary for achieving all or any of the aforesaid purposes.
- (b) By submitting a Tender, a Tenderer is deemed to have agreed to, and to have obtained from each individual whose personal data is provided in the Tender, its consent for the disclosure to the Government, use and further disclosure by the Government of the personal data for the purposes and to the persons specified in Clause 20(a).
- (c) An individual to whom personal data belongs or a person authorised by it in writing has the right of access and correction with respect to the individual's personal data as provided for in sections 18 and 22 of and Principle 6 of Schedule 1 to the Personal Data (Privacy) Ordinance (Cap. 486). 25. Offering Gratuities

The Tenderer shall not and shall ensure that its agents and employees shall not offer or give any advantage as defined in the Prevention of Bribery Ordinance (Cap. 201) to any agent or employee of the Government. 26. Consent to Disclosure

- (a) The Government may disclose, whenever it considers appropriate, to the public or upon request by any member of the public (which may have been a Tenderer) (written or otherwise) without any further reference to or consent from the successful Tenderer or any other Tenderer, the Tender Documents, particulars (including the nature and quantity) of the General Restaurant Business, the date of the award of the Contract, the name and address of the successful Tenderer and the total monies paid to the Permit Holder for the entire Term.

- (b) Nothing in Clause 26(a) above shall prejudice the Government's power to disclose whenever it considers appropriate information of any nature whatsoever (whether or not specified in Clause 26(a) above) if the disclosure is made under any one of the following circumstances (even if disclosure may also mean the information will at the same time, or subsequently, become public information):

 - (iii) the disclosure of any information which is public knowledge;
 - (iv) the disclosure of any information in circumstances where such disclosure is required pursuant to any law of Hong Kong, or an order of a court of Hong Kong or a court or a tribunal with competent jurisdiction; or
 - (v) without prejudice to the power of the Government under Clause 26(a) above, to the extent the information relates to a Tenderer, with the prior written consent of that Tenderer.

27. Cancellation of the Invitation to Tender

Without prejudice to the Government's right to cancel the Invitation to Tender, where there are changes of requirement after Tender Closing Date for operational or whatever reasons, the Government is not bound to accept any conforming tender and reserves the right to cancel the Invitation to Tender.

Each of them is the offer, commitment and representation of the Tenderer and will, if accepted by the Government Representative, be incorporated into and made part of the Contract in such manner as the Government Representative considers appropriate and become binding on the Tenderer.

30. Complaint about Tendering Process or Contract Award

The tendering process is subject to internal monitoring to ensure that the Contract is awarded properly and fairly. Any Tenderer who feels that its offer has not been fairly evaluated may write to the Director of Leisure and Cultural Services who will personally examine the complaint and refer it to the relevant tender boards for consideration if it relates to the tendering system or procedures followed. Tenderer shall lodge the complaint before disposal of documents of unsuccessful Tenderers, which shall be within three (3) months after the award of Contract.

31. Application for Appropriate Food Licences

The Permit Holder shall note that it will be unlawful for it to sell any commodity of which any licence, permit and/or certificate is so required without first obtaining such licence, permit and/or certificate.
- (b) The Permit Holder shall note that since it will necessarily take time for the relevant authorities to consider and decide on an application for a licence, permit and/or certificate, the Permit Holder is therefore not entitled to claim for abatement of the Monthly Permit Fee on the grounds that it cannot operate its General Restaurant Business pending the issue of the relevant licences, permits and/or certificates. Neither the Government nor the Government Representative shall be held responsible in the event of the Permit Holder's failure or inability for any reason to obtain or renew any such licences, permits and certificates. Nothing contained in the Tender Documents or in the Contract shall be construed to fetter the discretion of any public officer or authority as the licensing authority.
