it may, but is not obliged to, request the Tenderer concerned to make the necessary clarification, or submit the required document or information. The Tenderer shall thereafter within seven (7) working days or such other period as specified in the request submit such clarification, information or document in the form required by the Government. A tender may not be considered further if the information or document is not provided as required by the deadline as specified in the request, or in the case of clarification, such clarification is not provided by such deadline or is not acceptable to the Government. As an alternative to seeking clarification or further information or document, the Government may not consider the tender further or may proceed to evaluate the tender on an “as is” basis.

- 8.2 The document and information not covered by Clause 8.1(b) are:
- (a) price information or quotes required in the Tender Documents;
 - (b) a signed Offer to be Bound in the Tender Form; and
 - (c) any other document or information in respect of which it is specified in the Tender Documents that a failure to provide to the Government in a Tender at the time of submission of the Tender or by the Tender Closing Date will result in the Tender not being considered.
- 8.3 Tenderers should also note that the Government will not consider any clarification or information submitted by a Tenderer after the Tender Closing Date irrespective of whether or not the clarification or information is submitted at the invitation of the Government if the Government considers that such clarification or information would alter the Tenderer's tender in substance or give the Tenderer an advantage over the other Tenderers.

9. Tender Assessment

Tenders will be assessed in manner set out in the **First Schedule**. The evaluation of tenders for the Car Park will be conducted on an overall basis.

10. Selection of Tender

Without prejudice to other rights and powers of the Government not to consider a tender under other applicable provisions in the Tender Documents, the selection of Tenderers will be conducted in accordance with Clause 9. The Tenderer whose tender is awarded the highest combined score will usually be recommended for acceptance for the Contract.

11. Basis of Acceptance

- 11.1 The Government Representative is not bound to accept the tender with the highest total combined score or any tender and reserves the right to accept all or any part of a tender at any time within the Tender Validity Period (including without limitation any of the proposals set out in the Execution Plans and Suggestions). Without prejudice to the generality of the foregoing, in case the Licence Fee for the Car Parks is unreasonably low with reference to the advice of the Commissioner of Rating and Valuation, the Government may refrain from awarding the Contract to the relevant Tenderer.
- 11.2 Tenderers should note that their offers will be considered on an overall basis. Tenders with only partial offers will not be considered.

12. Negotiation

The Government reserves the right to negotiate with any or all Tenderer(s) about the terms and conditions in the Tender Documents and of the Contract. If the Government at its discretion considers appropriate, the Government will normally conduct negotiation with the Tenderer whose tender is identified as the most advantageous to the Government in terms of the tender assessment set out in Clause 9.

13. Execution of the Contract and Payment of Monthly Basic Licence Fee

- 13.1 Unless and until the Articles of Agreement has been signed by both the successful Tenderer and the Government Representative, there shall be no Contract between the Government Representative and any Tenderer. References to award of the Contract mean the signing of the Articles of Agreement.
- 13.2 The successful Tenderer will be notified within the Tender Validity Period (such notification is referred to as (“**Conditional Acceptance of Tender**”)). Upon receipt of the Conditional Acceptance of Tender, the successful Tenderer shall be obliged to fulfill all of the following conditions precedent to the satisfaction of the Government Representative within fourteen (14) days from the date of the notification (or such later date as the Government Representative may allow)
-
- (a) the provision of the Security Deposit as required under Clause 24;
 - (b) the payment of the Monthly Basic Licence Fee in respect of the first month of the Applicable Licence Period for the Car Park;
 - (c) the submission of the completed Ninth Schedule concerning ethical commitments requirements; and
 - (d) such other conditions as the Government Representative may stipulate in the Conditional Acceptance of Tender.
- 13.3 Unless and to the extent waived by the Government Representative in writing, upon fulfilment of the conditions by the Tenderer specified in Clause 13.2 above to the satisfaction of the Government Representative, the Government Representative will, subject to its other rights and powers, enter into the Contract with the successful Tenderer by signing the Articles of Agreement. The Contract will incorporate, to the extent accepted by the Government Representative, the Tender submitted by the successful Tenderer (subject to such other changes as the Government Representative may stipulate in exercise of its powers under the Tender Documents and such changes as the parties may agree (if any)). If a Tenderer fails to fulfill all or any of the conditions mentioned in Clause 13.2 above (unless and save to the extent they are waived by the Government Representative in writing, if any), or fails to sign the

Articles of Agreement upon notification by the Government Representative (“**defaulting Tenderer**”), the Conditional Acceptance of Tender will become void and be of no further force.

- 13.4 The Government Representative will disqualify the defaulting Tenderer, and it may, but is not obliged to, award the Contract to another Tenderer. Without prejudice to other rights and remedies of the Government, the defaulting Tenderer shall be responsible for the difference in the total Licence Fee for the Car Park submitted by that defaulting Tenderer and the eventual Contractor who will be granted the Contract in replacement of the defaulting Tenderer whether appointed pursuant to this Invitation to Tender exercise or another subsequent invitation exercise as well as all administrative costs incurred by the Government in finding a replacement contractor and implementing any stop-gap measures during the time when no replacement contractor can be appointed. On the other hand, notwithstanding anything in the Tender Documents or in the Conditional Acceptance of Tender to the contrary, in the event that the Government exercises any of its discretion under Clause 17 or 18, the Government Representative shall be entitled not to enter into the Contract with a Tenderer even if the Tenderer has received a Conditional Acceptance of Tender and fulfilled all the conditions specified in Clause 13.2.
- 13.5 Tenderers who do not receive any notification of acceptance within the Tender Validity Period shall assume that their tenders have not been accepted.

14. Counter-proposals

- 14.1 Tenderers must not submit any proposal that has the effect of varying or modifying:
- (a) any essential requirements specified in the Tender Documents; and
 - (b) the provisions in the Tender Documents concerning the preparation, submission and evaluation of Tenders and the award of the Contract.
- 14.2 If a Tenderer fails to comply with Clause 14.1, subject to any clarification which the Government may, but is not obliged to, made under Clause 8, its Tender will be disqualified and will not be considered further by the Government.
- 14.3 Subject to Clause 14.1, if a Tenderer still wishes to submit a counter-proposal (“**Counter-Proposal**”), the Counter-Proposal must be submitted in the following manner:
- (a) the Counter-Proposal shall be attached to the Offer to be Bound;
 - (b) the original provision which the Counter-Proposal relates to should be fully recited before the proposed alteration or deletion;

- (c) the proposed alteration to the original provision should be underlined and should bear the corresponding clause number of the original provision unless it is an addition;
- (d) if it is an addition, the additional provision should be underlined;
- (e) words to be deleted should be crossed out by a single line only; and
- (f) an explanation should be given below the alternation or deletion and put in square brackets “[]”.

14.4 Any Counter-Proposal that is not submitted in accordance with Clause 14.3 will not be considered by the Government and will not be regarded to form part of the Tender submitted by a Tenderer. In such event, the Tenderer shall be deemed to have agreed to the original term to which the Counter-Proposal relates and the Government will continue to consider the Tenderer’s Tender on this basis.

14.5 Notwithstanding and without prejudice to the aforesaid, the Government may negotiate with the Tenderer any Counter-Proposal but is not obliged to do so. The Government may at its absolute discretion reject any Counter-Proposal. If negotiation is conducted but fails, the Government may reject or exclude the Counter-Proposal and assess the Tender as it is without the Counter-Proposal.

15. Costs of Preparation of a Tender

Tenderers shall submit their tenders at their own costs and expenses. Neither the Government nor the Government Representative shall be liable for any costs and expenses whatsoever incurred by Tenderers in connection with the preparation or submission of their tenders, including all costs and expenses relating to (a) communication or negotiations with the Government Representative; or (b) attending briefings, document inspections, site visits or surveys made by the Tenderer, whether before or after the Tender Closing Date.

16. Tenderer’s Commitment

The entire Tender, any subsequent clarification, and permitted submissions from a Tenderer must be submitted in writing. Each of them is the offer, commitment and representation of the Tenderer and will, if accepted by the Government Representative, be incorporated into and made part of the Contract in such manner as the Government Representative considers appropriate and become binding on the Tenderer. On the other hand, the Government reserves the discretion to refuse acceptance of any part of the tender which is inconsistent with any requirements of the Tender Documents.

17. Government's Discretion

17.1 Notwithstanding anything to the contrary in these Tender Documents, the Government reserves the right to disqualify a Tenderer on grounds including any one of the following -

- (a) a petition is presented or a proceeding is commenced which has not been withdrawn any time prior to the award of the Contract or an order is made or a resolution is passed for the winding up or bankruptcy of the Tenderer or its related person;
- (b) the Tenderer has made or submitted a false, inaccurate or incomplete statement or representation or a forged document in the tender or in any subsequent submission by the Tenderer or communication between the Government and the Tenderer since submission of that tender;
- (c) in the event of a claim or allegation made any time during a period of five (5) years preceding the Tender Closing Date and thereafter up to the time of the award of the Contract or the Government having grounds to believe that any thing(s), service(s) or material(s) supplied or previously supplied by the Tenderer or its related person infringes or will infringe any Intellectual Property Rights of any person;
- (d) any time during the twenty-four (24) months prior to the Tender Closing Date or between the Tender Closing Date and the award of the Contract, the Tenderer or a related person of the Tenderer was in significant or persistent default(s) in the performance of any substantive requirement or obligation under any other Government contract awarded by the Director of Leisure and Cultural Services regardless of whether the default(s) led to the actual termination of the relevant Government contract or whether such default(s) has been remedied (a "Contract Default");
- (e) the Tenderer or a related person or a director or management staff of the Tenderer has been convicted by the final judgment (i.e. judgment not subject to any appeal to a higher court prior to the award of the Contract) in respect of one or more serious offences including conviction of offences involving bribery, false accounting, corruption, dishonesty or employment handed down any time during a period of five (5) years preceding the Tender Closing Date and thereafter up to the time of the award of the Contract;
- (f) in the event of any professional misconduct or any act or omission having been committed during a period of five (5) years preceding the Tender Closing Date and thereafter up to the time of the award of the Contract that adversely reflects on or casts doubt on the commercial integrity of the Tenderer or a related person or a director or management staff of the Tenderer; or

- (g) any failure of the Tenderer or its related person to pay taxes to the Government during a period of five (5) years preceding the Tender Closing Date and thereafter up to the time of the award of the Contract.

The grounds specified in Clauses 17.1(a) to 17.1(g) are separate and independent, and shall not be limited by reference to or inference from the other of them.

17.2 For the purposes of Clause 17.1, each Tenderer shall provide in the Tender Attachment at the time of submission of its tender (and thereafter up to the time of the award of the Contract in relation to any event occurring between the time of submission and the time of grant) all information at least in relation to itself and those information in relation to its related person or its director or management staff which it has knowledge that is reasonably relevant to facilitate the Government's determination as to whether to exercise its right of disqualification, including but not limited to the following -

- (f) details of any failure to pay taxes as mentioned in Clause 17.1(g).

If none of the events as mentioned in Clauses 17.2(a) to 17.2(f) above has ever occurred within the applicable period as mentioned in the relevant sub-clause in Clause 17.1, the Tenderer shall provide a statement to that effect by completing the relevant part of the Tender Attachment at the time of submission of its tender. If found missing, the Government reserves the right to seek clarification.

17.3 In addition to the information mentioned in Clause 17.2, the Government reserves the right to request from a Tenderer or from other sources and take into account all information about -

- (a) the Tenderer itself (viz. in relation to any information relevant to any of the events mentioned in Clause 17.1);
- (b) any of the directors or management staff of the Tenderer (viz. information relevant to the event mentioned in any of Clauses 17.1(e) and (f) applicable to any such person);

 - (d) such other information which is reasonably relevant to facilitate the Government's determination as to whether to exercise its right of disqualification under Clause 17.1.
- 17.4 Such information relating to any of the aforesaid persons may include, without limitation, details of any claim or allegation of infringement or settlement agreement as referred to in Clause 17.1(c); details of any Contract Default referred to in Clause 17.1(d); details of any conviction of serious offences referred to in Clause 17.1(e); details of any professional misconduct, acts or omissions referred to in Clause 17.1(f) and of any failure to pay taxes to the Government referred to in Clause 17.1(g) above.
- 17.5 If the Tenderer fails to comply with the request made by the Government pursuant to Clause 17.3 above within such time as required by the Government, the Government may disqualify the Tenderer pursuant to Clause 9. If the Tenderer has submitted false, inaccurate or incomplete information, the Government may disqualify the Tenderer pursuant to Clause 17.1(b) above.
- 17.6 In providing the information required under Clauses 17.2 and 17.3 above, the Tenderer may show cause to satisfy the Government that the petition, proceeding, conviction record, infringement claim or allegation, Contract Default, or any professional misconduct or act or omission as the case may be, does not cast doubt on the fitness, propriety or capability of the Tenderer to perform the Contract to be awarded in this Invitation to Tender.
- 17.7 If the Tenderer is a company, the expression "related person" of the Tenderer includes any one of the following -
- (a) a shareholder (corporate or individual) which directly or indirectly beneficially owns fifty (50) percent or more of the issued share capital of the Tenderer ("majority shareholder"); or

References to related persons, directors and management staff of the Tenderer or of a related person include persons who were in such capacity at such time of the incident referred to in any of Clause 17.1(c), 17.1(d), 17.1(e), 17.1(f), or 17.1(g).

- 17.9 Notwithstanding anything to the contrary in the Tender Documents, the Government reserves the right to disqualify a Tenderer on the grounds that the Tenderer has engaged, is engaging, or is reasonably believed to have engaged or be engaging in acts or activities that are likely to cause or constitute the occurrence of offences endangering national security or otherwise the exclusion is necessary in the interest of national security, or is necessary to protect the public interest of Hong Kong, public morals, public order or public safety.

In the event of any failure to do so, the Government shall be entitled to treat the Tenderer to be acting as principal.

20. Consent to Disclose

- 20.2 Nothing in Clause 20.1 above shall prejudice the Government's power to disclose whenever it considers appropriate information of any nature whatsoever (whether or not specified in Clause 20.1 above) if the disclosure is made under any one of the following circumstances (even if disclosure may also mean the information will at the same time, or subsequently, become public information) –

In the case of the successful Tenderer, the purposes shall be extended to include

enforcement and management of the Contract, and resolution of disputes arising from the Contract. The Government may further disclose the personal data to such persons as it considers necessary for achieving all or any of the aforesaid purposes.

22. New Information

Each Tenderer should inform the Government Representative in writing immediately of any factor which might affect its ability to meet any requirements of the Tender Documents. The Government Representative reserves the right not to consider a Tenderer's Tender further if the Tenderer's continued ability to meet such requirements is in doubt.

23. Commencement Date of the Applicable Licence Period

Subject to the confirmation by the Government Representative in the Contract, the tentative commencement date of the Applicable Licence Period for the Licence Area is 1st day of April 2023. Notwithstanding the aforementioned tentative commencement date, the Government Representative shall have absolute discretion to determine the commencement date of the Applicable Licence Period for all or any of the Licence Area in the Articles of Agreement and the Applicable Licence Period(s) shall commence from the date as specified in the Articles of Agreement.

Clause, the “Estimated Contract Value” shall mean the total amount of all Monthly Basic Licence Fees payable under the whole of the Applicable Licence Period for the Car Park as quoted by the Tenderer in the Third Schedule. If financial vetting is required, the Tenderer shall upon request of the Government Representative provide such financial information that the Government Representative considers necessary and relevant within five (5) working days after the date of request. If the Tenderer fails to provide any financial information required by the Government Representative within a specified period resulting that the Government Representative cannot complete vetting of the financial position of the Tenderer, it shall be considered by the Government Representative that the Tenderer has failed the financial vetting.

- 24.2 The successful Tenderer shall, within the period specified in Clause 13.2 or such other time as specified by the Government Representative, deposit with the Government in cash, cheque or casher’s order or in the form of a bank guarantee for an amount equal to two (2) times the amount of all Monthly Basic Licence Fees payable for the Car Park. In addition, if the financial vetting is required and where the successful Tenderer fails the financial vetting as mentioned in Clause 24.1, the aforesaid amount shall be further topped up by an amount equivalent to 5% of the Estimated Contract Value (as defined in Clause 24.1 above), or two (2) times the amount of all the Monthly Basic Licence Fee, whichever is lower. The aforesaid amount (whether with or without top-up, as applicable) shall serve as security for the due, punctual and proper performance of the Contract (“Security Deposit”).
- 24.3 If the successful Tenderer elects to pay the Security Deposit by way of a bank guarantee, the bank guarantee must comply with the following:
- (a) it must be issued by a bank that holds a valid banking licence granted under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong) and acceptable to the Government;

The responsibility for applying the necessary licences, permits and certificates and fulfillment of the requirements stated therein lies with the

Contractor. Neither the Government nor the Government Representative shall be held responsible in the event of the Contractor's failure or inability for any reason to obtain or renew any such licences, permits and certificates. Nothing contained in the Tender Documents or in the Contract shall be construed to fetter the discretion of any public officer or authority as the licensing authority.

26. State of Licence Area

- 26.1 Tenderers are strongly advised to visit the Licence Area before submitting the tenders and the successful Tenderer shall accept the Licence Area in the state and condition in which it is at the date on which the occupancy is given (i.e. the first date of the Applicable Licence Period).

Neither the Government nor the Government Representative gives any warranty, representation or undertaking that any information, statistics and forecast provided in the Tender Documents or any information or clarification

provided from time to time or in the briefings or otherwise are sufficient, accurate, complete, suitable or timely for any purpose whatsoever.

- 28.4 To the maximum extent permitted by laws, neither the Government nor the Government Representative accepts any liability or responsibility for (a) any claim, legal proceeding, liability, loss (including any direct or indirect loss, any loss of revenue, profit, business, contract or anticipated saving), (b) damage (including any direct, special, indirect or consequential damage of whatsoever nature) or (c) any cost or expense, suffered or incurred by any Tenderer arising from the use of, or reliance on, any information, statistics or forecast provided in the Tender Documents, or any information or clarification provided from time to time or in the briefings, or otherwise that the profits derived from the operation of the Business do not meet the expectation or projection of the successful Tenderer or do not recoup the investment cost incurred or by any margin.

35. Complaint about Tendering Process or Contract Award

The tendering process is subject to internal monitoring to ensure that contracts are awarded properly and fairly. Any Tenderer who feels that its offer has not been fairly evaluated may write to the Director of Leisure and Cultural Services who will personally examine the complaint and refer it to the approving authority/relevant tender boards for consideration if it relates to the tendering system or procedures followed. Tenderers shall lodge the complaint before disposal of documents of unsuccessful Tenderers, which shall be within three (3) months after the award of Contract.

36. Probity Clause

The Tenderer shall not, and shall ensure that its officers, agents and employees shall not, offer or give any advantage as defined in the Prevention of Bribery Ordinance (Cap. 201) to any public officer. Any breach of or non-compliance with this Clause by the Tenderer shall, without affecting the Tenderer's liability for such breach or non-compliance, invalidate its tender, and if the Contract has been awarded to the Tenderer without knowing the breach, the Government Representative shall be entitled to immediately terminate the Contract.

37. Licence to Use the Tender

- 37.1 A tender once submitted will become the property of the Government. Tenders of unsuccessful Tenderers may be destroyed in accordance with Clause 30. In consideration of the Government considering its tender, without prejudice to all other rights and powers of the Government Representative under the Tender Documents (including in particular its right to disclose information in the Tender) and under the Contract, each Tenderer grants to each of the Government and the Government Representative, their respective

assigns, successors-in-title and authorised users, a royalty-free, non-exclusive, irrevocable, sub-licensable, transferable, world-wide, unrestricted right and licence to use or exercise all or any Intellectual Property Rights subsisting in its tender for the purposes of tender evaluation and for all other purposes incidental thereto or in connection therewith and also for the purposes of disclosure under Clause 20. Such right and licence shall continue to subsist so long as all or any Intellectual Property Rights subsist in the Tender (or any part thereof) under any applicable law, including the Laws of Hong Kong.

- 37.2 The Tenderer shall keep the Government Representative informed in writing of any materials that are subject matters of the licences granted or to be granted to which the Tenderer is not empowered to grant licences under Clause 37.1 and any restrictions whatsoever affecting the use thereof.
- 37.3 The Tenderer hereby undertakes to procure at its own costs and expense from the relevant third parties all proper licences, clearances and releases in writing to be granted in favour of the Government, the Government Representative, their respective authorised users, assigns and successors-in-title pursuant to the terms of licence under Clause 37.1.
- 37.4 The Tenderer hereby waives and undertakes to procure at its own costs and expense all authors including its employees, sub-contractors and agents to waive all moral rights (whether past, present or future) in all materials Tenderer comprised in the Tender, such waiver shall operate in favour of the Government, the Government Representative, their respective authorised users, assigns and successors-in-title and shall take effect upon submission of such materials.
- 37.5 The Tenderer shall at its own costs and expense do and execute any further things and documents (or procure that the same be done or executed) as may be required by the Government to give full effect to this Clause 37 and shall provide all such documents and materials to the Government within fourteen (14) days of the date of the Government's written request or such longer period as may be agreed by the Government in writing.
- 37.6 By submitting a tender, the Tenderer represents and warrants that none of the materials comprised in the Tender submitted infringes the Intellectual Property Rights of any person.
- 37.7 The Tenderer shall indemnify the Government, the Government Representative, their respective assigns, successors-in-title, and authorised users from and against everything stated in Clause 29.2 of the Conditions of Contract in the event that the exercise by any of them of the rights set out in Clause 37 infringes or is alleged to infringe the Intellectual Property Rights of any person.

38. Anti-collusion

- 38.1 The Tenderer must ensure that the Tender is prepared without any agreement, arrangement, communication, understanding, promise or undertaking with any

other person (except as provided in paragraph 3 of the Non-collusive Tendering Certificate referred to in Clause 38.2 below), regarding, amongst other things, price, tender submission procedure or any terms of the Tender. Bid-rigging is inherently anti-competitive and is considered serious anti-competitive conduct under the Competition Ordinance (Chapter 619 of the Laws of Hong Kong). Tenderers who engage in bid-rigging conduct may be liable for the imposition of pecuniary penalties and other sanctions under the Competition Ordinance.

38.2 The Tenderer shall complete and submit to the Government a Non-collusive Tendering Certificate (in the form set out in one of the Schedules titled as such) as part of its Tender.

38.3 In the event that a Tenderer is in breach of any of the representations, warranties and/or undertakings in Clause 38.1 above or in the Non-collusive Tendering Certificate submitted by it under Clause 38.2 above, the Government shall be entitled to, without compensation to any person or liability on the part of the Government:

- (a) reject the Tenderer's Tender;
- (b) if the Government has accepted the Tender, withdraw its acceptance of the Tenderer's Tender; and
- (c) if the Government has entered into the Contract with the Tenderer, terminate the Contract under Clause 34.1 of the Conditions of Contract.

38.4 By submitting a Tender, a Tenderer is regarded to have undertaken to indemnify and keep indemnified the Government against all losses, damages, costs or expenses arising out of or in relation to any breach of any of the representations, warranties and/or undertakings in Clause 38.1 above or in the Non-collusive Tendering Certificate submitted by it under Clause 38.2 above.

38.5 A breach by a Tenderer of any of the representations, warranties and/or undertakings in Clause 38.1 above or in the Non-collusive Tendering Certificate submitted by it under Clause 38.2 above may prejudice its future standing as a Government contractor or service provider.

38.6 The rights of the Government under Clauses 38.1 to 38.5 above are in addition to and without prejudice to any other rights or remedies available to it against the Tenderer.

39. Acceptance of Innovation Suggestions

of Agreement. Only those accepted Innovative Suggestions shall form an integral part of the Contract.

CONDITIONS OF CONTRACT

1. Nature of Contract

It is expressly agreed between the parties that this Contract creates no tenancy or lease or any form of legal rights on land whatsoever between the parties except the Licence to use the Licence Area in accordance with the provisions of the Contract. This Contract is granted by the Government Representative to entitle the Contractor to operate the Business at the Licence Area in exercise of its power pursuant to the delegated power by the Chief Executive by Gazette Notice 2008/2003.

2. Contract Period and Applicable Licence Period

2.1 Subject to all rights and powers of the Government Representative under the Contract, and any early termination or extension pursuant to any applicable provisions of the Contract, the Contract Period shall be same as the Applicable Licence Period as further specified in Clause 2.2 below.

2.2 **Unless a different date is specified in the Articles of Agreement (which can be any date earlier or later than the below-mentioned date as determined by the Government at its sole and absolute discretion)**, the commencement date of the licence period for the Licence Area is **1st day of April 2023** and shall expire upon the end of thirty-six (36) months from the aforesaid commencement date; and subject to prior termination or extension as provided in this Contract.

2.3 The Government shall have the option to extend the Applicable Licence Period for the Licence Area for a maximum period of six (6) months ("Extension Period"). The Government shall be entitled to exercise such option, not less than one (1) month prior to the expiry of the Applicable Licence Period for such Licence Area, by giving the Contractor a written notice to that effect ("Option Notice"). Upon the Government issuing an Option Notice, the Applicable Licence Period for the Licence Area shall be deemed to be so extended on and subject to the same terms and conditions set out in the Contract apart from this Clause 2.3.

2.4 Even there is any suspension under Clause 23 or closure of the Business for all or any of the Licence Areas under Clause 24 regardless of the duration whether on an accumulative basis or individual basis, the Applicable Licence Period for the Licence Area will not correspondingly be extended.

3. The Business

3.1 Subject to the terms and conditions of the Contract, in relation to the Licence

Area, the Government Representative hereby grants to the Contractor during the Applicable Licence Period the right to operate the Car Park at that Licence Area in compliance with all terms and conditions set out in the Contract (“Business”). In consideration of the opportunity being given by the Government Representative for operating the Business at the Licence Area for the Applicable Licence Period, the Contractor undertakes to carry on the Business in compliance with all requirements set out in the Contract as soon as the Applicable Licence Period commences.

- 3.2 The Contractor shall carry on the Business at the Licence Area at all times on 7 x 24 basis on all days of the week including all general holidays except with prior authorisation of the Government Representative in writing. The Car Park shall remain open throughout the aforesaid time and period.
- 3.3 The Government Representative reserves the right to revise at any time and from time to time the business hours of the Contractor’s Business as specified in Clause 3.2 above.
- 3.4 The Contractor shall not vary the business hours of its Business unless prior written consent of the Government has been obtained.
- 3.5 The Contractor shall not be entitled to any adjustment or abatement of the Monthly Licence Fee for any change of the business hours referred to in this Clause and shall pay the Monthly Licence Fee in full pursuant to Clause 5 under all circumstances.
- 3.6 The Business shall be operated by the Contractor as the principal and all profits and losses and liabilities arising therefrom shall be for the sole account of the Contractor with no recourse against the Government or the Government Representative.

4. Conduct of Business

- 4.1 This Contract only entitles the Contractor to conduct the Business at the Licence Area, but not any other premises in the Venue or otherwise.
- 4.2 The Contractor shall use the Licence Area only for the Business and shall not use, cause, suffer or permit to be used the Licence Area or any part thereof for any other purpose.
- 4.3 The Contractor shall conduct its Business only in the Licence Area and shall not use, cause, suffer or permit to be used any area of the Venue except the Licence Area without the prior written consent of the Government Representative for such purpose or for any other purpose.
- 4.4 The name of the Car Park shall be such as the parties hereto may mutually agree, or in default of agreement, as the Government Representative at its absolute discretion may consider reasonable to prescribe, at any time and from

time to time. Save and except as permitted or directed by the Government Representative, such name shall not be changed.

5. Payment of Monthly Licence Fee

- 5.1 In consideration for the entitlement to operate the Business at the Licence Area and subject to the terms and conditions set out in the Contract, in respect of the Car Park, and in respect of each month of the Applicable Licence Period for such Car Park, the Contractor shall pay to the Government Representative in advance a Monthly Basic Licence Fee for such Car Park and in arrears a Percentage Licence Fee (exclusive of rates, Government rent, taxes and all other outgoings payable in respect of the Licence Area for that Car Park, and all costs of utilities incurred in the operation of the Business including water and electricity). The Monthly Basic Licence Fee shall be payable on or before the first day of each and every month of the Applicable Licence Period without any deduction or set-off whatsoever except that the Monthly Basic Licence Fee in respect of the first month shall be payable as one of the conditions to be fulfilled before signing of the Articles of Agreement under Clause 13.2 of the Terms of Tender. The Percentage Licence Fee in respect of each month of the Applicable Licence Period shall be payable no later than fourteen (14) days after the end of that month (including the last month of the Applicable Licence Period or the remaining period after the last complete month of the Applicable Licence Period).
- 5.2 The Percentage Licence Fee in respect of the Car Park, and in respect of each month of the Applicable Licence Period, shall be calculated by multiplying the Percentage of Monthly Gross Receipts as stated in the Third Schedule by the Monthly Gross Receipts for such Car Park for that month and then deduct therefrom the Monthly Basic Licence Fee payable for such Car Park in respect of that month. In the event that the Percentage Licence Fee is a negative figure, no sum shall be payable by either party to the other.
- 5.3 If the Contractor fails to pay the Monthly Basic Licence Fee or Percentage Licence Fee by the due date or any other amount payable by the Contractor under the Contract (“default amount”), the Contractor shall pay a surcharge on the default amount calculated at a rate equivalent to the average of the best lending rates from time to time of all of the note-issuing banks in Hong Kong plus two percent (2%) per annum to accrue from the day on which the payment falls due until actual payment in full is made.
- 5.4 No money shall be payable by the Government or the Government Representative to the Contractor or any other person under the Contract. The Contractor shall perform, comply with and observe all provisions of the Contract and its obligations under the Contract at its own costs and expenses regardless of whether it is specifically stated to be the case in individual provisions of the Contract.

- 5.5 In the event that the remaining period of the Applicable Licence Period after the last complete month is not a complete month, there shall be adjustment of the Monthly Basic Licence Fee for such remaining period. The adjustment shall be arrived at by multiplying the daily rate with the actual number of days of the relevant period. The daily rate shall be arrived by dividing the Monthly Basic Licence Fee by the number of days of such calendar month. The Percentage Licence Fee shall be calculated in respect of the Monthly Gross Receipts in respect of such remaining period and no adjustment to the Percentage of Monthly Gross Receipts is required.
- 5.6 In respect of the Car Park, within fourteen (14) days after the end of each month and the expiry or sooner termination of the Applicable Licence Period, the Contractor shall –
- (a) submit to the Government Representative a statement of accounts in the form as the Government Representative may prescribe at any time and from time to time showing the Monthly Gross Receipts and the amount of the Percentage Licence Fee that should be payable to the Government Representative, if any, for that month (or the remaining period as the case may be). The statement of accounts shall be certified as being accurate and complete by the Contractor or such other person as the Government Representative may from time to time approve or prescribe;
 - (b) if the statement of accounts is not submitted within the fourteen (14) days as described above, the Contractor shall pay to the Government Representative by way of a provisional Percentage Licence Fee for that month an amount equivalent to the highest Percentage Licence Fee paid for any one (1) month during the twelve (12) months' period immediately preceding the month in question; and
 - (c) in the event that the amount of the Percentage Licence Fee as shown in the statement of accounts eventually submitted by the Contractor under Clause 5.6(a) in respect of a month shall exceed or shall be less than the provisional Percentage Licence Fee actually paid by the Contractor to the Government Representative in respect of that month, the amount of the shortfall, if any, shall be paid by the Contractor to the Government Representative within fourteen (14) days of demand; or the amount of overpayment, if any, shall be repaid without interest by the Government Representative to the Contractor within thirty (30) days of demand. In the case of shortfall, the Contractor shall also pay interest on the shortfall amount at the rate specified in Clause 5.3 to accrue from the date which it should have been paid up to the date of actual payment.
- 5.7 Upon the request from time to time of the Government Representative, the Contractor shall within thirty (30) days from the date of such request submit to the Government Representative a statement of accounts in the form approved

by the Government. The statement of accounts shall show in respect of the Car Park, the Monthly Gross Receipts and the amount of the Percentage Licence Fee that should be payable to the Government Representative for such month or months as stipulated in the notice. Such statement of accounts shall be audited and certified as being accurate and complete by a professional accountant holding practicing certificate or a corporate practice within the meaning of the Professional Accountants Ordinance (Cap. 50) (“**Auditor**”) in accordance with Hong Kong Standard on Assurance Engagements 3000 “Assurance Engagements Other Than Audits or Reviews of Historical Financial Information” issued by the Hong Kong Institute of Certified Public Accountants.

- 5.8 Within three (3) months after the end of each Contract Year, and after the expiry or earlier termination of the Applicable Licence Period in respect of the last Contract Year, the Contractor shall submit to the Government Representative an audited statement of accounts certified as being accurate and complete by the Auditor showing inter alia in respect of the Car Park, the Monthly Gross Receipts and the amount of the Percentage Licence Fee for each month of that Contract Year (or in the case of the last Contract Year, each month of that Contract Year plus the remaining period).
- 5.9 In the event that the amount of the Percentage Licence Fee as shown in the audited statement of accounts submitted by the Contractor under Clause 5.7 or 5.8 for any period covered by such accounts shall exceed or shall be less than the Percentage Licence Fee actually paid by the Contractor to the Government Representative in respect of that period, the amount of the shortfall, if any, shall be paid by the Contractor to the Government Representative within fourteen (14) days of demand; or the amount of overpayment, if any, shall be repaid without interest by the Government Representative to the Contractor within thirty (30) days of demand. In the case of shortfall, the Contractor shall also pay interest on the shortfall amount at the rate specified in Clause 5.3 to accrue from the date which it should have been paid up to the date of actual payment.
- 5.10 If in respect of the Car Park, the audited statement of accounts is not submitted by the deadline as specified in Clause 5.8, the Contractor shall pay to the Government Representative by way of a provisional top up amount to the Percentage Licence Fee for the Contract Year equivalent to the highest Percentage Licence Fee paid during that Contract Year for the Car Park multiplied by the number of months covered by that Contract Year and then subtract the same with the total amount of Percentage Licence Fees already paid by the Contractor in respect of that Contract Year for the Car Park (“top-up amount”). In the event that the amount of the Percentage Licence Fee as shown in the audited statement of accounts eventually submitted by the Contractor under Clause 5.9 for a Contract Year shall exceed or shall be less than the Percentage Licence Fee actually paid by the Contractor to the Government Representative in respect of that period (taking into account any top-up amount paid in respect of that period), the amount of the shortfall, if any, shall be paid by the Contractor to the Government Representative within

fourteen (14) days of demand; or the amount of overpayment, if any, shall be repaid without interest by the Government Representative to the Contractor within thirty (30) days of demand. In the case of shortfall, the Contractor shall also pay interest on the shortfall amount at the rate specified in Clause 5.3 to accrue from the date which it should have been paid up to the date of actual payment.

- 5.11 For the avoidance of doubt, it is hereby expressly agreed and declared that the acceptance by the Government Representative of any statement of accounts or audited statement of accounts submitted or any money paid by the Contractor in accordance with this Clause 5 shall not in any way whatsoever bar or otherwise preclude the Government Representative from subsequently disputing the accuracy of any such statement of accounts or the correctness of any such sum. In the event that any further sum whatsoever shall be found due from the Contractor to the Government Representative, without prejudice to other rights and claims of the Government Representative, the same shall be paid by the Contractor to the Government Representative within fourteen (14) days of demand plus interest under Clause 5.3 as if such amount is a default amount.
- 5.12 The Contractor shall keep and maintain proper books of account including ledgers, supporting vouchers, receipts, etc. and other records or documents in respect of the operation of the Business under this Contract and to cause all such records or documents to make up on a monthly basis and retain the same for at least seven (7) years after the expiry or earlier termination of the Applicable Licence Period.
- 5.13 At all reasonable time upon prior notice from the Government Representative to produce to it or any person authorised by it for inspection of all books of account, ledgers, vouchers, receipts, etc. and other records or documents relating to the operation of the Business and, if required, to make available copies of them.

6. Non-exclusive Right of the Contractor

- 6.1 The Contractor shall have, during the continuance of the Applicable Licence Period, but subject always to all rights and powers of the Government Representative under the Contract, the non-exclusive, non-transferable, non-assignable right to access and to occupy the Licence Area for the operation of the Business within the Licence Area and performance of all other obligations under the Contract which are required to be performed at the Licence Area.
- 6.2 The Government as the owner of the Licence Area, whether acting through the Government Representative or otherwise, reserves all rights and powers to enter into the Licence Area for any purpose whatsoever without any notice or

reference or consent from the Contractor.

- 6.3 Nothing in this Contract shall confer on the Contractor any exclusive right to carry on the Business at the Venue.
- 6.4 Nothing in this Contract shall be regarded as in any way negating, prejudicing or otherwise restricting the right of the Government Representative to authorise any person to park any vehicle at the Venue. The Contractor is not entitled to claim for any compensation or prohibition for whatsoever cause resulting from the grant of the said permissions and authorisations.
- 6.5 That in case any of the sums payable by the Contractor under the Contract or any part thereof shall be unpaid after the same become due (whether formally demanded or not), or if there is any breach, non-performance or non-observance of any of the terms and conditions to be observed by and on the part of the Contractor herein contained or if the Contractor becomes bankrupt or, being a company, enters into liquidation whether compulsory or voluntary (save for the purpose of reconstruction or amalgamation), or enters into any composition with its creditors or suffer any distress or execution to be levied upon its goods, then, and in any of the said cases, it shall be lawful for the Government Representative at any time thereafter to re-enter upon the Licence Area or any part thereof in the name of the whole, and thereupon this Contract shall be deemed terminated under Clause 34.1(f). In the event of such re-entry, the Monthly Licence Fee already paid for the Licence Area or any part thereof shall not be refunded and no compensation whatsoever shall be payable to the Contractor by the Government Representative arising from such re-entry.

7. Security Deposit

- 7.1 The Contractor shall within fourteen (14) days from the date of the Conditional Acceptance of Tender (or such later date as the Government Representative may allow) deposit with the Government in cash, cheque or cashier's order or in the form of bank guarantee in the Twelfth Schedule to be issued by a bank with a valid banking licence issued under the provisions of the Banking Ordinance (Cap. 155), for an amount equal to two (2) times the total amount of the Monthly Basic Licence Fees payable for the Car Park. In addition, where the successful Tenderer fails the financial vetting as mentioned in Clause 24.2 of the Terms of Tender, the aforesaid amount shall be further topped up by an amount equivalent to 5% of the Estimated Contract Value or two (2) times the amount of the Monthly Basic Licence Fees, whichever is lower. The aforesaid amount (whether with or without top-up, as applicable) shall serve as security for the due, punctual and proper performance of the Contract ("Security Deposit").
- 7.2 The Security Deposit, if in the form of cash, cheque or cashier's order shall be retained by the Government Representative, or if in the form of a bank guarantee, shall remain in force, in either case, from the date of

commencement of the Contract Period until the date specified in (a) or (b) below, whichever is applicable:

- (a) the date falling three (3) months after the expiry of the Contract Period; or
- (b) there remain any outstanding obligations and liabilities of the Contractor under the Contract which have not been duly and fully carried out, completed and discharged in accordance with the Contract, or there is any outstanding claim or right of the Government Representative or the Government, the date on which all such obligations, liabilities and rights and claims have actually been carried out, completed and discharged (as confirmed by the Government Representative in writing), or failing such confirmation the date shall not in any event be later than thirty-six (36) months after the expiry or early termination of the Contract Period.

The aforesaid period (depending on whichever is applicable) is hereinafter referred to as the “Guarantee Period”.

- (vi) To the extent accepted by the Government, all innovative suggestions proposed by the successful Tenderer shall form part of the Contract just like the rest of the tender.

- (vii) It is not necessary for a Tenderer to have continuous experience in operating fee-paying public car park(s) in the past ten (10)-year period immediately preceding the Original Tender Closing Date.

Stage 3 – Price Assessment

5. Failure to submit a Price Proposal in the form of **Third Schedule** with the Basic Monthly Licence Fee for the Car Park, and the Percentage of the Monthly Gross Receipts for the Car Park, will render a tender invalid and will not be considered further. The price assessment shall be based on these price quotations submitted by Tenderers which have passed Stage 2 assessment and the aforesaid completeness check of the Price Proposal.

6. The maximum weighted price score is 50. The weighted price score for all conforming tenders will be calculated by the following formula –

$$\text{Mark of Monthly Basic Licence Fee} = 50\% \times \frac{\text{Total amount of the Monthly Basic Licence Fees payable of the Car Park throughout the Applicable Licence Periods (viz., the Estimated Contract Value)}}{\text{The Highest Estimated Contract Value quoted amongst all conforming tenders}}$$

$$\text{Mark of Percentage Licence Fee of Monthly Gross Receipt} = 50\% \times \frac{\text{Percentage of Monthly Gross Receipts quoted in the conforming tender being assessed}}{\text{The Highest Percentage of Monthly Gross Receipts quoted amongst all the conforming tenders}}$$

$$\text{Weighted Price Score} = 50 \times \frac{\text{Total mark of Monthly Basic Licence Fee and Percentage Licence Fee of Monthly Gross Receipt of the conforming tender being assessed}}{\text{The highest total mark of Monthly Basic Licence Fee and Percentage Licence Fee of Monthly Gross Receipt among the conforming tenders}}$$

[Note: The weighted price score of each tender will be rounded to the nearest 2 decimal places according to the rounding method as shown in the Note under para. 4 above.]

Stage 4 - Calculation of Combined Score

7. The combined score of a conforming tender will be determined by the following formula –

Weighted Technical Score + Weighted Price Score

8. Normally, the tender with the highest combined score will be recommended for the award of the Contract subject to the requirement that the Government is satisfied that the recommended tender is fully (including technically, commercially and financially) capable of undertaking the Contract, and that the recommended tender is the most advantageous to the Government in accordance with the tender provisions.
