- (b) Subject to Clause 17 hereof, the Tenderer whose tender is awarded the highest combined scores will normally be selected to conduct the Catering Business.

14. Basis of Acceptance

- (a) The Government Representative is not bound to accept the tender(s) with highest combined scores or to give any reasons for doing so, and reserves the right to accept all or any part of a tender at any time within the Tender Validity Period (including without limitation any of the proposals set out in the Executive Plans).
- (b) Tenderer(s) shall note that their offers will be considered on a complete overall basis. Tenders with only partial offers shall be rejected.

15. Award of the Contract

- (a) Unless and until the Articles of Agreement has been signed by both the successful Tenderer and the Government, there shall be no Contract between the Government and any Tenderer. References to the award of the Contract mean the signing of these Articles of Agreement.
- (b) The successful Tenderer will be notified within the Tender Validity Period (such notification is referred to as “**Conditional Acceptance of Tender**”). Upon receipt of the Conditional Acceptance of Tender, the successful Tenderer shall be obliged to fulfill all of the following conditions precedent to the satisfaction of the Government Representative within fourteen (14) days from the date of the notification (or such later date as the Government Representative may allow) –
- (i) the provision of the Security Deposit as required under Clause 12; and
 - (ii) such other conditions as the Government Representative may stipulate in the Conditional Acceptance of Tender.
- (c) Unless and to the extent waived by the Government Representative in writing, upon fulfilment of the conditions by the Tenderer specified in Clause 15(b) above to the satisfaction of the Government Representative, the Government will, subject to its other rights and powers, enter into the Contract with the successful Tenderer by signing the Articles of Agreement. The Contract will incorporate, to the extent accepted by the Government Representative, the Tender submitted by the successful Tenderer (subject to such other changes as the Government Representative may stipulate in exercise of its powers under the Tender Documents and such changes as the parties may agree (if any)). If a Tenderer fails to fulfill all or any of the conditions mentioned in Clause 15(b) above (unless and save to the extent they are waived by the Government Representative in writing, if any), or fails to sign the Articles of Agreement upon notification by the Government Representative (“**defaulting Tenderer**”), the Conditional Acceptance of Tender will become void and be of no further force.
- (d) The Government Representative will disqualify the defaulting Tenderer, and it may, but is not obliged to, award the Contract to another Tenderer. Without prejudice to other rights and remedies of the Government, the defaulting Tenderer shall be responsible for the difference in the total Minimum Annual Licence Fee submitted by that defaulting Tenderer and the eventual Licensee who will be granted the Contract in replacement of the defaulting Tenderer whether appointed pursuant to this Invitation to Tender exercise or another subsequent invitation exercise as well as all administrative costs incurred by the Government in finding a replacement Licensee and implementing any stop-gap measures during the time when no replacement Licensee can be appointed. On the other hand, notwithstanding anything in the Tender Documents or in the Conditional Acceptance of Tender to the contrary, in the event that the Government exercises any of its discretion under Clause 34 of Terms of Tender, the Government shall be entitled not to enter into the Contract with a Tenderer even if the Tenderer has received a Conditional Acceptance of Tender and fulfilled all the conditions specified in Clause 15(b).

- (e) A Tenderer who does not receive any notification of acceptance within one hundred and fifty (150) days or any other period specified by the Government Representative from the Tender Closing Date shall assume that its tender has not been accepted.

16. Tender to Remain Open

- (a) A tender submitted shall remain valid and open for acceptance on these terms for not less than one hundred and fifty (150) days from the Tender Closing Date.
- (b) If a Tenderer does not state in its tender the period for which the tender is to remain valid and open for acceptance, the Tender Validity Period of that Tender will be one hundred and fifty (150) days after the Tender Closing Date.
- (c) If a Tenderer offers in its tender a period that is shorter than one hundred and fifty (150) days, the Government will clarify with the Tenderer concerned, in which case the Tenderer must confirm compliance with Clause 16(a) within five (5) working days or such other period as specified by the Government without any other change to the Tender (except any change made in response to any clarification by the Government pursuant to Clause 9). If the Tenderer fails to confirm compliance with Clause 16(a) within the specified deadline or, despite confirming compliance therewith, introduces any change to the tender not in response to any clarification by the Government pursuant to Clause 9, its tender will not be considered further.
- (d) If before expiry of the Tender Validity Period, a Tenderer withdraws its offer, the Government will take due notice of the Tenderer's action and this may prejudice its future standing as a Government contractor.

17. Offers to be Binding

All parts of the Tender Documents submitted and offered by the Tenderer will be binding on the Tenderer after granting the Licence. A Tenderer is deemed to have satisfied itself as to the correctness of its Tender. In the event that a Tenderer discovers an error in its Tender after the Tender has been deposited, the Tenderer may correct the same in a separate letter before the Tender Closing Date. Without prejudice to the Government to seek clarification or negotiate with any Tenderer, no request from the Tenderer for adjustment or variation whatsoever will be allowed or entertained after the Tender Closing Date.

18. Counter-proposals

- (a) Tenderers must not submit any proposal that has the effect of varying or modifying:
 - (i) any essential requirements specified in the Tender Documents; and
 - (ii) the provisions in the Tender Documents concerning the preparation, submission and evaluation of Tenders and the grant of the Contract.

- (b) If a Tenderer fails to comply with Clause 18(a), subject to any clarification which the Government may, but is not obliged to, make under Clause 9, its Tender will be disqualified and will not be considered further by the Government.
- (c) Tenderers must not submit counter-proposals to provisions other than those as specified in Clauses 18(a) or 18(d). Upon contravention of this Clause, the Government may disqualify the Tenderer, unless the Government in its absolute discretion elects to negotiate with the Tenderer concerning such counter-proposal. Following such negotiation, if the Tenderer is unwilling to withdraw such counter-proposal, or revises it on terms acceptable to the Government, the Government may still disqualify the Tenderer. Any accepted counter-proposal following a successful negotiation shall be deemed as part of the Tenderer's Tender and forms part of the Contract and shall be binding on the Tenderer if the Contract is eventually awarded to it.
- (d) Without prejudice to Clause 18(a), any Tenderer who submits a tender that directly or indirectly attempts to preclude or limit the effect of any provisions of these Terms of Tender may also be disqualified.

19. Free Decoration Period

In the case of the successful Tenderer, the purposes shall be extended to include enforcement and management of the Contract, and resolution of disputes arising from the Contract. The Government may further disclose the personal data to such persons as it considers necessary for achieving all or any of the aforesaid purposes.

- (b) By submitting a Tender, a Tenderer is deemed to have agreed to, and to have obtained from each individual whose personal data is provided in the Tender, its consent for the disclosure to the Government, use and further disclosure by the Government of the personal data for the purposes and to the persons specified in Clause 21(a).

- (i) Assessment will be based on the aggregate number of years of experience in operating catering outlet(s) each with a seating capacity not less than one hundred (100) persons in the past ten (10) aggregate years immediately preceding the Original Tender Closing Date.
- (ii) Standard scores will be given to Assessment Criterion (5) in accordance with the following five-grade approach –

 - 3 – An aggregate of four (4) to less than five (5) years' experience.

company, subsidiary or sub-contractor of the Tenderer shall not be considered. The meanings of “parent company” and “subsidiary” follow the meanings under the Companies Ordinance (Cap. 622).

- (vii) If the Tenderer is a partnership, only the years of experience gained by the partnership, but not the individual experience of the participants to the partnership, will be counted.
- (viii) The aggregate years of experience will be counted in calendar days. For the purpose of tender evaluation, “an aggregate of two (2) years’ experience” is equivalent to have accumulated 730 days (i.e. 365 days x 2) of experience under different catering outlets.
- (ix) It is not necessary for a Tenderer to have continuous experience in operating catering outlet(s) in the past ten (10)-year period immediately preceding the Original Tender Closing Date.

For the purpose of tender assessment, the relevant experience in operating catering outlet(s) could be gained under the same catering outlet or different catering outlets.
